RECOMMENDATION

Council to authorize the Public Works Director to purchase 15 solar streetlights totaling \$150,000 for the Delgado Park Neighborhood.

EXECUTIVE SUMMARY

On May 9, 2023, staff presented a lighting study for the neighborhood around Delgado Park. Based on this analysis, it was determined that up to 52 new lights were needed to provide sufficient nighttime lighting in and around the Delgado Park area. Staff is requesting authorization to purchase up to 15 solar lights to be installed in this neighborhood.

OUTSTANDING ISSUES

None.

DISCUSSION

4Creeks Engineering conducted a lighting study in and around the Delgado Park neighborhood area. The study determined that a total of 52 new lights were needed in order to provide sufficient nighttime lighting in the area. The map showing the areas in need of lighting is enclosed herein as Attachment 'A'. This analysis was presented to the City Council at a workshop on May 9, 2023.

The analysis consisted of researching the locations of all existing streetlights as well as identifying lighting deficiencies. 4Creeks performed a nighttime drone analysis of the area to determine lighting deficiencies. Based on the analysis, staff identified the need for an additional 52 streetlights to provide sufficient nighttime lighting.

Additionally, in order to help illuminate this area staff is in discussions with PG&E to swap existing High-Pressure Sodium (HPS) streetlights with Light Emitting Diode (LED) fixtures which will also help add ample lighting with the existing infrastructure in place.

Staff is proposing to purchase 15 solar streetlights totaling \$150,000. These lights will be installed strategically around the Delgado Park Neighborhood. The initial placement of streetlights will focus on Q Street, Green Avenue, S. O Street, Vasser, and Uruapan Avenue. Funding of additional solar lights will be included in future budgets.

Staff will be purchasing the solar streetlights using the noncompetitive bidding process. Pursuant to Paragraph O, Subsection B.5 of the City's Purchasing Policy enclosed as Attachment 'B', staff can use noncompetitive bidding when an item is available only from a single source. In this case, the solar streetlight that the City is proposing to purchase is exclusively manufactured by Clearworld. The company currently has a patent (US 8, 714, B2) on the wrapped style of solar streetlights that the City has been using in other areas of the community.

FISCAL IMPACT

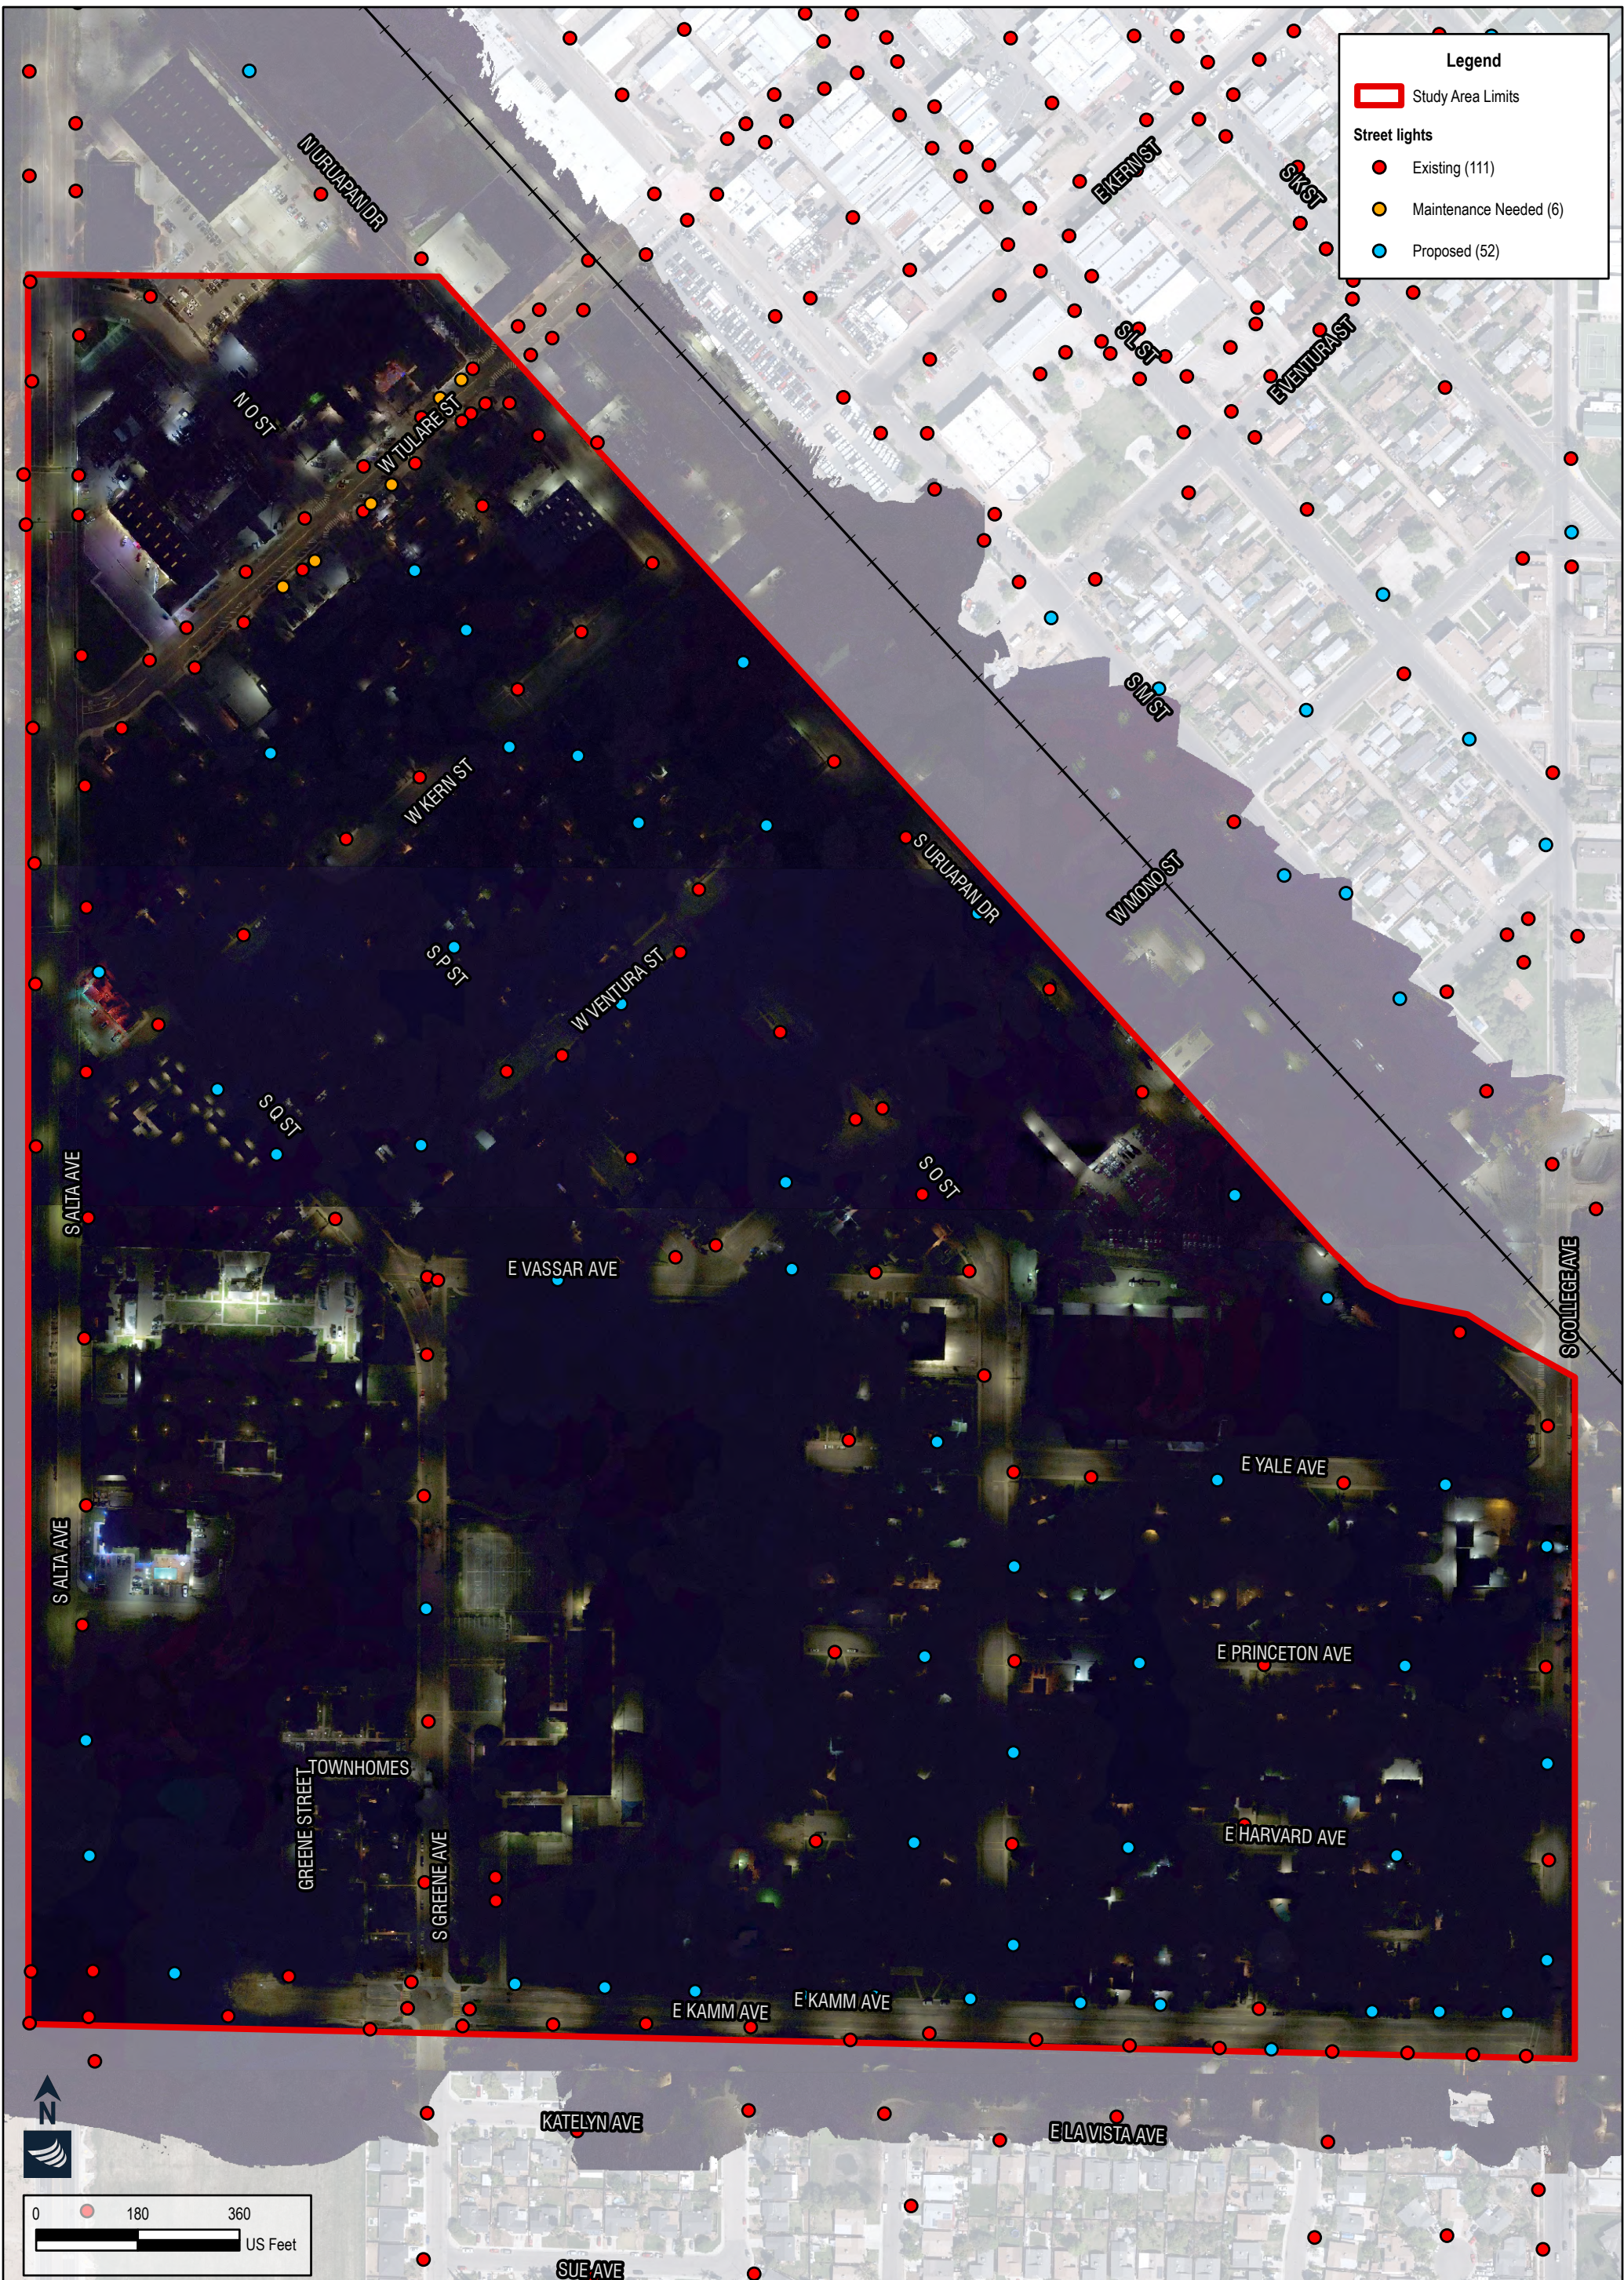

The City budgeted \$150,000 in federal ARPA funds in FY 23/24 for the purchase of solar streetlights.

All City Department Directors will be responsible for following the correct applicable purchasing procedures.

B. ETHICS

Each employee must avoid a conflict or appearance of a conflict between their public employment and their private lives. They must avoid any action, whether or not specifically prohibited by this or other instruction or law, which results in or can reasonably be expected to create the appearance of:

4. Impeding City efficiency or economy;

C. CONFLICT OF INTEREST

When a city employee or manager is involved in a procurement activity by inviting or evaluating offers from a supplier or contractor with whom he or she has some pecuniary or personal interest or personal bias against, he or she is obliged to declare that interest or bias to the City Manager and distance himself or herself from any further involvement in that negotiation. Pecuniary interests include the form of share holdings, partnerships, or offering some form of financial support to that supplier. Personal interests include the involvement of immediate family in the supplier's operation either as shareholders or employees.

- c. Nothing in this policy shall be construed as requiring a department or contractor to procure products where the warranty for recycled products is not equal to virgin products or where the recycled material voids, shortens, interrupts, or cancels warranty of other supplies or units of components.

City employees or representatives shall receive an invoice or receipt for any supplies or services received. It shall clearly describe the materials or services purchased, date of purchase, and the total price. The employee or representative shall review the invoice and deliver it to the Department Head or his/her designee for approval. The Department Head shall provide the appropriate accounting expenditure code to be assigned and will approve and forward the invoice to the Administrative Services Department. For purchases exceeding \$5,000, a Purchase Order must be prepared and approved by the Department Director and the Administrative Services Director unless an Open Purchase Order is in place.

The Administrative Services Department shall prepare payments to vendors and the Administrative Services Director will determine the schedule for payment due from the City. Payments for all approved invoices will be made not less than twice per month, but may be made on a weekly basis if work schedules permit. A listing containing, at a minimum, the names of payees and the amounts of the warrants, will be submitted to Council for inclusion in the consent calendar of the agenda.

N. PETTY CASH

Each City Department Director has at least one Petty Cash Fund for the purpose of making purchases from local vendors when the item costs less than \$80.00. The Administrative Services Director will verify expenditures from receipts and will replenish each Department's Petty Cash Fund when requested, but in no case more than twice each month. For more information please refer to the City's Petty Cash Procedures.

O. FEDERAL REQUIREMENTS

This section shall apply to the awarding of sub-grants and contracts by the City stemming from federal grants to the City. This section shall have the same application on the awarding of sub-grants and contracts by the City stemming from state, county or other non-federal government entity grants originating as federal grants.

1. The City shall maintain a contract administration system which ensures contractors perform in accordance with the terms, conditions and specifications of their contracts or purchase orders.
2. The City shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. No employee, officer or agent of the City shall participate in selection, or in the award or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when any of the below has a financial or other interest in or a tangible personal benefit from a firm considered for award
 - a. The employee, officer or agent;
 - b. Any member of his or her immediate family;
 - c. His or her partner; or
 - d. An organization which employs, or is about to employ, any of the above.
3. The City's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to sub-agreements. Such a conflict will not arise where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. The City's standards of conduct provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the City.

4. The City shall not enter into a contract with a non-Federal entity that has a parent, affiliate, or subsidiary organization that is not a state, local government or Indian tribe, unless the non-Federal entity maintains written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest mean due to relationships with a parent company, affiliate, or subsidiary organization, the non-Federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.
5. The City shall avoid acquisition of unnecessary or duplicative items. Consideration will be given to consolidating or breaking out procurements to obtain a more economic purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.
6. The City shall consider entering into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.
7. The City shall consider using Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.
8. The City shall consider using value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure its essential function is provided at the overall lower cost.
9. The City shall make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance and financial and technical resources.
10. The City shall maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection and the basis for the contract price.
11. The City shall use time and material type contracts only:
 - a. After a determination is made that no other contract is suitable; and
 - b. If the contract includes a ceiling price the contractor exceeds at their own risk. Time and materials type contract means a contract whose cost to the City is the sum of:
 - i. The actual cost of materials; and
 - ii. Direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses and profit.
 - c. Since this formula generates an open-ended contract price, a time and materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, each contract must set a ceiling price that the contractor exceeds at its own risk. Further, the City must assert a high degree of oversight in order to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

12. The City alone shall be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes and claims. These standards do not relieve the City of any contractual responsibilities under its contracts.

A. Competition.

1. The City will conduct procurement transactions in a manner providing full and open competition. To ensure objective contractor performance and eliminate unfair competitive advantage, contractors developing or drafting specifications, requirements, statements of work, or invitations for bids or requests for proposals shall be excluded from competing for such procurements.
2. The City shall conduct procurements in a manner prohibiting the use of statutorily or administratively imposed in-state or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.
3. The City shall have written procedures for procurement transactions. These procedures will ensure that all solicitations:
 - a. Incorporate a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description must not, in competitive procurements, contain set forth those features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a brand name or equal description may be used to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and
 - b. Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.
4. The City shall ensure prequalified lists of persons, firms or products that are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open

and free competition. The City shall not preclude potential bidders from qualifying during the solicitation period.

B. Methods of Procurement to be Followed. The City shall use one of the following methods of procurement:

1. Procurement by Micro-Purchases. Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold as set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and adjusted periodically for inflation. As of September 2022, the micro-purchase threshold is \$10,000.
2. Procurement by Small Purchase Procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies or other property that do not cost more than the simplified acquisition threshold as set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908 and periodically adjusted for inflation. If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources. As of September 2022, the simplified acquisition threshold is \$250,000. The City's comprehensive policy, as outlined in section F of this document shall be adhered to.
3. Procurement by Sealed Bids (Formal Advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming to all the material terms and conditions of the invitation for bids, is the lowest in price.
 - a. For sealed bidding to be feasible, the following conditions should be present:
 - (1) A complete, adequate, and realistic specification or purchase description is available;
 - (2) Two or more responsible bidders are willing and able to compete effectively for the business; and
 - (3) The procurement lends itself to a firm-fixed-price contract and the selection of the successful bidder can be made principally based on price.
 - b. If sealed bids are used, the following requirements apply:
 - (1) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;
 - (2) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services for the bidder to properly respond;
 - (3) All bids will be publicly opened at the time and place prescribed in the invitation for bids;
 - (4) A firm-fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost and life cycle costs shall be considered in determining which bid is

lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(5) If there is a sound documented reason, any or all bids may be rejected.

4. Procurement by Competitive Proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- a. Requests for proposals shall be publicized and identify all evaluation factors including relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
- b. Proposals will be solicited from an adequate number of qualified sources;
- c. The City shall conduct technical evaluations of the proposal received and for selecting awardees;
- d. Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- e. The City may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

5. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances applies:

- a. The item is available only from a single source;
- b. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
- c. The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in a written request from the City; or
- d. After solicitation of multiple sources, competition is determined inadequate.

6. Contracting with Small and Minority Businesses, Women's Business Enterprises and Labor Surplus Area Firms.

- a. The City shall take all necessary affirmative steps to assure that minority businesses, women's business enterprises and labor surplus area firms are used when possible.
- b. Affirmative steps include:
 - (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - (2) Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
 - (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises;
 - (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses and women's business enterprises;
 - (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in subsections 6.b.(1) through (6) of this section.

7. Contracts Cost and Price.

- a. The City shall perform a cost or price analysis in every procurement action exceeding the simplified acquisition threshold including contract modifications. The method and degree of analysis will be dependent on the facts surrounding each procurement situation. As a starting point, the City shall make independent estimates before receiving bids or proposals.
- b. Costs or prices based on estimated costs for contracts under the Federal award will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the City under Subpart E – Cost Principles of Title 2, Subtitle A, Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).
- c. The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

8. Federal Awarding Agency or Pass-Through Entity Review.

- a. The City shall make available, upon request of the Federal awarding agency or pass-through entity, technical specifications on proposed procurements where the Federal awarding

agency or pass-through entity believes such review is needed to ensure that the item or service specified is the one being proposed for purchase.

- b. The City shall make available upon request, for the Federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposal or invitations for bids, or independent cost estimates when:
 - (1) The City's procurement procedures or operation fails to comply with the procurement standards of Title 2, Subtitle A, Part 200, Subsection 200.324;
 - (2) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;
 - (3) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product;
 - (4) The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
 - (5) A proposed modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.
 - c. The City may be exempted from the pre-procurement review in subsection 8.b. above if the Federal awarding agency or pass-through entity determines that its procurement systems comply with the standards set forth in Title 2, Subtitle A, Part 200, or the City self-certifies compliance with such standards if self-certification is permitted by the Federal awarding agency or pass-through entity.
9. **Bonding Requirements.** For public projects, the City shall require bid guarantees, performance bonds, and payment bonds consistent with Title 2, Part 200, Section 200.325 of the Code of Federal Regulations.
 10. **Contract Provisions.** The City's contracts shall contain the provisions in Appendix II to Title 2, Subtitle A, Part 200 – Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable.

P. PENTALTIES, SANCTIONS OR DISCIPLINARY ACTIONS FOR VIOLATIONS

Violations by the grantee, grantee's officers and employees will be subject to the disciplinary actions prescribed in "Chapter 13: Disciplinary Procedures" included in the City of Dinuba's Personnel Policies and Practices Manual.

Q. APPEALS OF AWARD OF BIDS

Because it is essential that bidders, offerors, and contractors have confidence in the procurement procedures for soliciting and awarding contracts, it is the policy of the Purchasing Division to offer all bidders, offerors, and contractors the opportunity to appeal award of purchase of contracts.

The following procedures shall apply in regard to appeals by prospective bidders, offerors, or contractors:

1. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the City of Dinuba Purchasing Agent and/or the Chief Financial Officer.
2. Appeals must be submitted in writing within five (5) working days after such aggrieved person knows, should have reasonably known, or could reasonably be expected to know of the facts giving rise thereto.
3. Appeals shall be submitted to the City of Dinuba Purchasing Agent, 405 E. El Monte Way, Dinuba, CA 93618. Appeals should address only areas regarding bid contradictions procurement errors, quotation rating discrepancies, legality of procurement context, conflict of interest in rating process, and inappropriate or unfair competitive procurement grievance regarding the bid process.
4. The City of Dinuba Purchasing Agent or Chief Financial Officer shall have the authority to settle and resolve a protest of an aggrieved bidder, offeror, or contractor, actual or prospective, concerning the solicitation or award of contract. The Purchasing Agent will provide a written response to the complainant within five (5) working days unless the complainant is notified more time is required.
5. If the protest cannot be resolved by mutual agreement, or if the protesting bidder is not satisfied with the decision of the Purchasing Agent and/or Chief Financial Officer, he/she shall have the right to appeal to the City Manager within five (5) business days after notification of the Purchasing Agent's decision.
6. If the protesting bidder is not satisfied with the decision of the City Manager, the final level of appeal is with the City Council. Complainant may appear at the City Council meeting to be heard by Council.
7. In general, the filing of a protest should cause the solicitation proceedings, which are subject to protest, to be halted until the appeal is resolved. In order to allow essential City functions to continue, the City may proceed with the solicitation or award of contract, despite the protest, upon an adequate determination in writing by the City's Purchasing Agent or Administrative Services Director that such action is necessary. It is expected that such determination will occur only in those few circumstances where it is necessary to protect a substantial interest of the City of Dinuba.
8. In an effort to limit frivolous protests, protesters who file two (2) protests within twelve (12)

calendar months, whose protests are not resolved in their favor, may be withheld from future bid.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, COUNTY and SUBRECIPIENT hereby agree as follows:

1. GRANT SUBAWARD. Subject to the terms, conditions, and other limitations specified herein, COUNTY intends to subaward to SUBRECIPIENT a portion of its FY 2020 SHSGP Grant for the following program and/or activity:

Details about the specific program or activity authorized, the amounts allocated to the specified program or activity, and the anticipated performance and disbursement timelines shall be confirmed by subsequent award letter(s) from COUNTY ("Award Letter(s)") in accordance with this Agreement. **SUBRECIPIENT agrees not to expend any anticipated FY 2020 SHSGP grant funds until after it has received [an] Award Letter(s) authorizing the specific activity or program, and confirming the award amount.** Award Letter(s) may include attachments, which are considered to be integral parts of the Award Letter(s). Unless SUBRECIPIENT notifies COUNTY before it begins spending the funds authorized in a FY 20120 SHSGP Award Letter that it declines some or all of the program, activity, and/or funds outlined in the Award Letter, SUBRECIPIENT will be deemed to have accepted all of the terms and conditions specified in the Award Letter(s), including any applicable attachments.

COUNTY reserves the exclusive right to determine the method and timing of disbursement of SHSGP funds to SUBRECIPIENT. Furthermore, and in addition to all other rights provided to COUNTY under this Agreement or the law, COUNTY reserves the right to, issue revised Award Letter(s) to modify

SUBRECIPIENT's authorized program, activity, award amounts, and/or performance periods, in accordance with the recommendations of the Local Approval Authority, the changing needs of SUBRECIPIENT and/or the likelihood of SUBRECIPIENT expending its subaward; however, such modifications will only be made after consultation with SUBRECIPIENT, and in accordance with the recommendations of the Local Approval Authority.

2. PERFORMANCE PERIOD. SUBRECIPIENT's Performance Period for all activities covered by the terms of this Agreement shall commence on October 1, 2012. Unless COUNTY specifies otherwise in SUBRECIPIENT's Award Letter(s), SUBRECIPIENT's Performance Period for all activities covered by the terms of this Agreement shall continue until whichever of the following dates or events occurs first: (i) April 30, 2022, or (ii) until otherwise terminated under the provisions of this Agreement. Only activities performed during the County-specified FY 2020 SHSGP Performance Period are eligible for funding/reimbursement pursuant to this Agreement.

3. GRANT REQUIREMENTS AND ASSURANCES. The SUBRECIPIENT hereby agrees to review, adhere to, and comply with all COUNTY, state, and federal grant award requirements. SUBRECIPIENT acknowledges that COUNTY was required to accept and agree to the "**CalOES Standard Assurances**" (attached as **Exhibit A**, and incorporated by reference herein), and that COUNTY may be required to impose some or all of these assurances on all of its subrecipients, at all levels. Accordingly, SUBRECIPIENT specifically accepts, agrees to, and will abide by the CalOES Standard Assurances, with the understanding that everywhere it references "Applicant" or "subrecipient" in Exhibit A shall be read to refer to SUBRECIPIENT. The CalOES Standard Assurances shall be binding on the SUBRECIPIENT, as well as its successors, transferees, contractors, consultants, etc. SUBRECIPIENT acknowledges that failure to comply with any of the assurances may result in suspension, termination, or reduction of grant funds.

SUBRECIPIENT may be required by COUNTY, CalOES, or the federal government to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with the SHSGP award and that use and disposition conditions apply to the property.

Furthermore, SUBRECIPIENT agrees that when the equipment or supplies acquired with funds from this subaward are no longer needed for the original activity or program, or for other SUBRECIPIENT activities supported by the Department of Homeland Security (DHS)/ Federal Emergency Management Agency (FEMA), SUBRECIPIENT must notify COUNTY to request instructions on proper disposition of the equipment or supplies. SUBRECIPIENT is not permitted to sell, assign, or otherwise transfer title to (or any other interest in) equipment or supplies purchased with SHSGP funds except as permitted by 2 CFR Part 200. All other notices from COUNTY may come from other COUNTY personnel.

8. PROOF OF SUBRECIPIENT AUTHORITY. Before this Agreement will be approved by COUNTY, SUBRECIPIENT must provide to COUNTY written authorization (in the form of a resolution, or some other format specifically authorized by COUNTY) from the city council, governing board, or authorized body in support of this project. This written authorization must specify that the SUBRECIPIENT and the city council, governing board, or authorized body agree:

- (a) To provide all matching funds required for the grant project and that any cash match will be appropriated as required;

- (e) Official executing this Agreement is authorized by the SUBRECIPIENT.

9. DISALLOWANCE AND OFFSET. If, pursuant to this Agreement, SUBRECIPIENT requests or

receives payment from COUNTY for programs, activities, or equipment, the reimbursement for which is later disallowed by the State of California or the United States Government, SUBRECIPIENT shall promptly refund the disallowed amount to COUNTY upon COUNTY's request. At its option, and to the fullest extent permitted by law, COUNTY may offset the amount disallowed from any payment due or to become due to SUBRECIPIENT under this Agreement or any other agreement between SUBRECIPIENT or COUNTY.

Furthermore, if any of COUNTY's FY 20120 SHSGP grant funding is reduced, modified, or eliminated for any reason, COUNTY reserves the right to reduce, modify, or eliminate any or all of this FY 2020 SHSGP grant subaward to SUBRECIPIENT. SUBRECIPIENT agrees to promptly return any amounts requested by COUNTY in accordance with this provision. At its option, COUNTY may offset the amount to be returned by SUBRECIPIENT from any payment due or to become due to SUBRECIPIENT under this Agreement or any other agreement between SUBRECIPIENT and COUNTY.

10. MONITORING AND REPORTS. SUBRECIPIENT is responsible for oversight of the operations of the FY 2020 SHSGP supported activities. SUBRECIPIENT must monitor its activities to ensure compliance with applicable Federal requirements and achievement of specific performance expectations. SUBRECIPIENT's monitoring must cover each program, function or activity supported by FY 2020 SHSGP funding.

SUBRECIPIENT agrees to provide ongoing performance and financial reports regarding any and all of SUBRECIPIENT's programs and activities funded with FY 2020 SHSGP funding. At a minimum, these reports will be due on an annual basis, but COUNTY reserves the right to request more frequent reporting. Within 90 days of completion or termination of FY 2020 SHSGP funded subawards, SUBRECIPIENT is also expected to provide a final performance report and a final expenditure report in a format acceptable to COUNTY, State and the Federal government. SUBRECIPIENT will be notified of any additional required reports by separate Award Letter(s) or notice(s) from COUNTY.

11. MANDATORY DISCLOSURES. Pursuant to 2 CFR section 200.113, SUBRECIPIENT must disclose, in a timely manner, and in writing to COUNTY and ultimately to the federal awarding agency, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting this subaward. Pursuant to the terms and conditions outlined in Appendix XII to 2 CFR Part 200 ("Award Term and Condition for Recipient Integrity and Performance Matters"), SUBRECIPIENT may also be also required to report certain civil, criminal, or administrative proceedings to SAM. Failure to make required disclosures can result in any of the remedies described in 2 CFR section 200.338, "Remedies for noncompliance," including suspension or debarment.

12. SUBMITTING FALSE CLAIMS. Under applicable federal and state law, if SUBRECIPIENT submits a false claim to COUNTY under this Agreement, then SUBRECIPIENT will be liable to COUNTY for the statutory penalties set forth in those statutes, including, but not limited to statutory fines, treble damages, costs, and attorneys' fees. SUBRECIPIENT will be deemed to have submitted a false claim to COUNTY if SUBRECIPIENT:

- (a) Knowingly presents or causes to be presented to COUNTY a false claim or request for payment or approval;
- (b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by COUNTY;
- (c) Conspires to defraud COUNTY, State, or the Federal Government by getting a false claim allowed or paid by COUNTY

- (d) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to COUNTY; or
- (e) Is a beneficiary of an inadvertent submission of a false claim to COUNTY, later discovers the falsity of the claim, and fails to disclose the false claim to COUNTY within a reasonable time after discovery of the false claim.

13. INSURANCE. SUBRECIPIENT certifies it is insured or self-insured for general liability exposures with limits of no less than \$1 million per occurrence. SUBRECIPIENT certifies it is insured or self-insured for workers' compensation and maintains statutory limits. SUBRECIPIENT agrees that coverage limits specified within the Agreement will not be used to reduce limits of coverage from SUBRECIPIENT'S full policy limits. Insurance Policies will not be used to limit liability or to limit the indemnification provisions and requirements of this Agreement or act in any way to reduce available coverage and limits from the insurer. Failure to maintain or renew coverage may be a material breach of this Agreement.

14. LIABILITY OF COUNTY. COUNTY's payment obligations to SUBRECIPIENT for FY 2020 SHSGP funds are limited by all provisions and other requirements specified in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall COUNTY be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect, or incidental damages arising out of or in connection with this Agreement, including, but not limited to, lost profits, equipment purchased, or activities performed in connection with this Agreement.

15. HOLD HARMLESS, INDEMNIFICATION, AND DEFENSE.

(a) To the fullest extent permitted by law, SUBRECIPIENT must indemnify, defend (at SUBRECIPIENT'S sole cost and expense and with legal counsel approved by COUNTY, which approval may not be unreasonably withheld), protect, and hold harmless COUNTY, all subsidiaries, divisions and affiliated agencies of COUNTY, and all of their representatives, partners, designees, officers, directors, employees, consultants, agents, successors and assigns, (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs and expenses (including, without limitation, attorneys' fees, disbursements and court costs, and all other professional expert or consultants' fees and costs and COUNTY general and administrative expenses) of every kind and nature whatsoever (individually, a "Claim"; collectively, "Claims") which may arise out of, pertain to, or relate (directly or indirectly) to the negligence, recklessness, or misconduct of SUBRECIPIENT with respect to any activities and/or programs performed, training provided, or items purchased or used under or in relation to this Agreement (including, without limitation, the acts, errors, and/or omissions of SUBRECIPIENT, its principals, officers, agents, employees, vendors, suppliers, consultants, sub-consultants, contractors, anyone employed directly or indirectly by any of them, or for whose acts they may be liable, or any or all of them). SUBRECIPIENT'S obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an Indemnified Party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an Indemnified Party, then SUBRECIPIENT'S indemnification obligation shall be reduced in proportion to the established comparative liability.

(b) The duty to defend is a separate and distinct obligation from SUBRECIPIENT'S duty to indemnify. SUBRECIPIENT shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, the Indemnified Parties immediately upon tender to SUBRECIPIENT of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. Payment to

SUBRECIPIENT by any Indemnified Party or the payment or advance of defense costs by any Indemnified Party cannot be a condition precedent to enforcing the Indemnified Party's rights to defense or indemnification under this Agreement. An allegation or determination that persons other than SUBRECIPIENT are responsible for the Claim does not relieve SUBRECIPIENT from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if SUBRECIPIENT asserts that liability is caused in whole or in part by the negligence or willful misconduct of an Indemnified Party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an Indemnified Party, then SUBRECIPIENT may submit a claim to the COUNTY for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the Indemnified Party. SUBRECIPIENT'S indemnification obligations under this Agreement will survive the expiration or earlier termination of this Agreement until action against the Indemnified Parties for the matter indemnified is fully and finally barred by the applicable statute of limitations or statute of repose. SUBRECIPIENT'S liability for indemnification under this Agreement is in addition to any liability SUBRECIPIENT may have to COUNTY for a breach by SUBRECIPIENT of any of the provisions of this Agreement. Under no circumstances may the insurance requirements and limits set forth in this Agreement be construed to limit SUBRECIPIENT'S indemnification obligation or other liability under this Agreement. The terms of this Agreement are contractual and the result of negotiation between the Parties.

(c) SUBRECIPIENT must indemnify and hold COUNTY harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses, for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by COUNTY, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

16. TERMINATION

(a) Without Cause (For Convenience): Either Party may terminate this Agreement for convenience by giving thirty (30) days' prior written notice to the other Party of its intention to terminate pursuant to this provision, specifying the date of termination. COUNTY will not pay lost anticipated profits or other economic loss resulting from termination of this Agreement. After receiving a notice of termination for convenience from SUBRECIPIENT, and prior to the effective date of termination, COUNTY may, in its sole discretion, continue to disburse grant funding to SUBRECIPIENT for the programs or activities permitted under this Agreement and specified in the effective Award Letter(s); however, COUNTY specifically reserves the right to cancel or modify some of the programs or activities specified in the Award Letter if it seems infeasible for SUBRECIPIENT to complete its work before the termination of the contract. Any funding disbursed to SUBRECIPIENT but not yet spent at the time the Agreement is terminated must be returned to COUNTY. All such disbursements continue to be subject to the restrictions otherwise provided in this Agreement or by law.

COUNTY will not impose sanctions on SUBRECIPIENT for a termination for convenience.

(b) With Cause: Either party may terminate this Agreement immediately, by written notice to the other Party, should the other Party:

- (1) be adjudged a bankrupt, or
- (2) become insolvent or have a receiver appointed, or
- (3) make a general assignment for the benefit of creditors, or
- (4) suffer any judgment which remains unsatisfied for 30 days, and which would

substantively impair the ability of the judgment debtor to perform under this Agreement.

COUNTY also reserves the right to immediately suspend and/or to terminate this Agreement, for cause, upon discovery of a material breach by SUBRECIPIENT. A material breach includes, but is not limited to, (i) SUBRECIPIENT's failure to comply with the terms and conditions of this Agreement or of any Award Letter(s) issued by COUNTY; (ii) a material misrepresentation by SUBRECIPIENT to COUNTY in relation to this grant program; or (iii) failure to comply with all applicable laws or regulations. COUNTY will provide written notice of the material breach and its determination to either suspend or terminate the contract, specifying the date of termination. At COUNTY's sole discretion, COUNTY may provide SUBRECIPIENT with a reasonable period of time to cure the breach. If COUNTY terminates this Agreement for cause, COUNTY reserves the right to reduce, modify, or eliminate any or all of this subaward and any other outstanding SHSGP subawards to SUBRECIPIENT. Upon demand by COUNTY, SUBRECIPIENT agrees to immediately return FY 2020 SHSGP funding that has been disbursed to SUBRECIPIENT and which remains in SUBRECIPIENT's possession at the time this Agreement is terminated. In addition, the payment of any grant funds that have yet to be disbursed for work already completed by SUBRECIPIENT under this Agreement remains subject to the restrictions on payments otherwise provided in this Agreement and by law, and is further conditioned on COUNTY's confirmation of SUBRECIPIENT's satisfactory completion of the activities or programs specified in this Agreement and any related Award Letter(s).

COUNTY will not pay lost anticipated profits or other economic loss, nor will the County pay compensation or make reimbursement to cure any breach arising out of or resulting from such termination for cause. If this Agreement is terminated for cause, COUNTY may impose sanctions, including possible rejection of future proposals based on specific causes of non-performance. Furthermore, if this Agreement is terminated for SUBRECIPIENT's failure to comply with applicable federal statutes or regulations, including those specifically incorporated into this Agreement by reference, SUBRECIPIENT is advised that the COUNTY's termination decision may be considered in evaluating future applications for federal grant awards.

(c) Effects of Completion or Termination: Expiration, completion, or termination of this Agreement shall not terminate any of SUBRECIPIENT's obligations to indemnify, defend, or hold harmless; to maintain and make available any records pertaining to the Agreement; to cooperate with any audit; to be subject to offset; to make any reports of pre-termination contract activities; to honor its obligations related to the disposal or disposition of property purchased with SHSGP funding; to comply with the continuing applicable obligations contained in Exhibit A; or to comply with any other continuing or closeout obligations required by this Agreement or by federal or state law or regulation, including those specified in 2 CFR Part 200. Where SUBRECIPIENT's activities or programs have been terminated by the COUNTY for cause, said termination will not affect any rights of the COUNTY to recover damages from or against SUBRECIPIENT.

(d) Suspension of Performance: Independent of any right to terminate this Agreement, COUNTY Authorized Agents may immediately suspend performance by SUBRECIPIENT, in whole or in part, in response to health, safety or financial emergency, a change in SHSGP grant funding to COUNTY, or a failure or refusal by SUBRECIPIENT to comply with the provisions of this Agreement, until such time as the cause for suspension is resolved, or a notice of termination becomes effective.

17. RECORDS. SUBRECIPIENT shall maintain complete and accurate records with respect to the activities, programs, and/or purchases funded by or related to FY 20120 SHSGP funding and/or this Agreement, including all records relating to procurement of goods and services. In addition, SUBRECIPIENT shall maintain complete and accurate records with respect to any payments to employees,

subawardees, contractors, or subcontractors. All such records shall be prepared in accordance with generally accepted accounting procedures and any applicable procedures required by the COUNTY or the federal or state government. All applicable records shall be clearly identified, maintained on site, and be kept readily accessible.

SUBRECIPIENT further agrees to make all such records available to federal, state, and COUNTY government representatives, as further specified in Exhibit A, Paragraph 9 and Exhibit B, Paragraph 10. SUBRECIPIENT shall ensure that members of the public also have access to such records upon request, in accordance with the Freedom of Information Act and the California Public Records Act. SUBRECIPIENT specifically agrees to require any subrecipients, contractors, successors, transferees, and assignees to acknowledge and agree to comply with all of these record keeping and access requirements.

Failure to comply with these requirements may result in suspension of payments under the grant, termination of the grant, or both. SUBRECIPIENT may be ineligible for award of any future grants if COUNTY or Cal OES determines that any of the following has occurred: (1) the recipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

19. CONFLICTS WITH LAWS OR REGULATIONS/ SEVERABILITY. This Agreement is subject to all applicable laws and regulations. If any provision of this Agreement is found by any court or other legal authority, or is agreed by the parties, to be in conflict with any code or regulation governing its subject, the conflicting provision shall be considered null and void. If the effect of nullifying any conflicting

provision is such that a material benefit of the Agreement to either party is lost, the Agreement may be terminated at the option of the affected party, and some or all of the grant money may need to be returned to COUNTY. Such a termination will be treated as a termination for cause, in accordance with Paragraph 16 above. In all other cases, the remainder of the Agreement shall continue in full force and effect.

20. MODIFICATION. No part of this Agreement may be modified without the written consent of both Parties.

21. EXHIBITS AND RECITALS. The Recitals and the Exhibits to this Agreement are fully incorporated into and are integral parts of this Agreement.

22. GOVERNING LAW. This Agreement shall be interpreted and governed under the laws of the State of California without reference to California conflicts of law principles. The Parties agree that this contract is made in and shall be performed in Tulare County, California.

23. FURTHER ASSURANCES. Each Party will execute any additional documents and perform any further acts which may be reasonably required to effect the purposes of this Agreement.

24. NO THIRD PARTY BENEFICIARIES. Unless specifically set forth, the Parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.

25. WAIVERS. The failure of either Party to insist on strict compliance with any provision of this Agreement shall not be considered a waiver of any right to do so, whether for that breach or any subsequent breach. The acceptance by either Party of either performance or payment shall not be considered to be a waiver of any preceding breach of the Agreement by the other Party.

26. HEADINGS. Section headings are provided for organizational purposes only and do not in any manner affect the scope, meaning or intent of the provisions under the headings.

27. ORDER OF PRECEDENCE. In the event of any conflict or inconsistency between or among the body of the Agreement and any Award Letter or other communication between COUNTY and SUBRECIPIENT, then the terms and conditions of the body of this Agreement shall prevail.

28. ASSIGNMENT. This Agreement is entered into by COUNTY in reliance on the identity and representations made by SUBRECIPIENT, and no part of this Agreement or this subaward (including any equipment purchased with the subaward) may be assigned, transferred, or sold by SUBRECIPIENT without the prior written consent of COUNTY, which consent COUNTY may grant, delay, deny, or condition in its absolute discretion. Any FY 2020 SHSGP funds provided to SUBRECIPIENT and not yet expended at the time of any attempted unauthorized assignment or transfer will be forfeit to COUNTY at the time of attempted assignment or transfer. Furthermore, the voluntary or involuntary assignment of this Agreement to a receiver or trustee in bankruptcy, will constitute a material breach and will automatically terminate this Agreement without advance notice or opportunity to cure.

29. COMPLIANCE WITH LAWS. SUBRECIPIENT shall comply with all applicable laws, ordinances, rules, and regulations and obtain and keep current all permits, licenses and/or approvals required by law to perform the activities or services, or to purchase any equipment, specified in this Agreement.

30. CONFLICT OF INTEREST

(a) SUBRECIPIENT agrees to, at all times during the performance of this Agreement, comply with the law of the State of California regarding conflicts of interests and appearance of conflicts of interests, including, but not limited to Government Code Section 1090 et seq., and the Political Reform Act, Government Code Section 81000 et seq. and regulations promulgated pursuant thereto by the California Fair Political Practices Commission. The statutes, regulations and laws previously referenced include, but are not limited to, prohibitions against any public officer or employee, including SUBRECIPIENT, from making any decision on behalf of COUNTY in which such officer, employee or consultant/contractor has a direct or indirect financial interest. A violation can occur if the public officer, employee or consultant/contractor participates in or influences any COUNTY decision which has the potential to confer any pecuniary benefit on SUBRECIPIENT or any business firm in which SUBRECIPIENT has an interest, with certain narrow exceptions.

(b) SUBRECIPIENT agrees that if any facts come to its attention which raise any questions as to the applicability of conflicts of interest laws, it will immediately inform the COUNTY designated representative and provide all information needed for resolution of this question.

31. COUNTERPARTS. The Parties may sign this Agreement in counterparts, each of which is an original and all of which taken together form one single document.

- (a) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

The Applicant will also comply with provisions of the Hatch Act (5 U.S.C. §§ 1501-1508 and §§ 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

Finally, the Applicant agrees that federal funds will not be used, directly or indirectly, to support the enactment, repeal, modification or adoption of any law, regulation or policy without the express written approval from the California Governor's Office of Emergency Services (Cal OES) or the federal awarding agency.

4. Debarment and Suspension

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the SUBRECIPIENT'S legal duty to furnish information.(4) The SUBRECIPIENT will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the SUBRECIPIENT'S commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.(5) The SUBRECIPIENT will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.(6) The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.(7) In the event of the SUBRECIPIENT'S noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.(8) The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The COUNTY further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work.

The COUNTY agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. In addition, the SUBRECIPIENT is required to pay wages not less than once a week. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

By execution of this Agreement, SUBRECIPIENT certifies to the COUNTY that it is not a party listed on the government-wide exclusions list in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension,” and is not debarred, suspended, or otherwise excluded from the award of a federally-supported contract under statutory or regulatory authority other than Executive Order 12549.

The SUBRECIPIENT must also disclose to the COUNTY in writing any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award.

(10) Records Retention and Access. Pursuant to 2 CFR §§ 200.333 through 200.337, the following provisions regarding Records Retention and Access will apply to this Agreement:

(a) Retention requirements for records. SUBRECIPIENT must retain all financial records, supporting documents, statistical records, and all other of its records pertinent to this Agreement for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or COUNTY. The only exceptions to the 3 year limit are the following:

(i) If any litigation, claim, or audit is started before the expiration of the 3-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

(ii) When the SUBRECIPIENT is notified in writing by the COUNTY or Federal awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs to extend the retention period.

(iii) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.

(iv) When records are transferred to or maintained by the COUNTY, or Federal awarding agency, the 3-year retention requirement is not applicable to the SUBRECIPIENT.

(v) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the SUBRECIPIENT'S fiscal year in which the program income is earned.

(vi) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

1. *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the COUNTY or the Federal Government to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

2. *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the COUNTY or Federal Government for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(b) Methods for collection, transmission and storage of information. In accordance with the May 2013 Executive Order on Making Open and Machine Readable the New Default for Government Information, the Federal awarding agency and the SUBRECIPIENT should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine readable formats rather than in closed formats or on paper. If paper copies are submitted, the Federal awarding agency or COUNTY must not require more than an

When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

(c) Access to records.

(i) Records of SUBRECIPIENT. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, the State of California, and the COUNTY, or any of their authorized representatives, must have the right of access to any documents, papers, or other records of the SUBRECIPIENT which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the SUBRECIPIENT'S personnel for the purpose of interview and discussion related to such documents.

(ii) Only under extraordinary and rare circumstances would such access include review of the true name of victims of a crime. Routine monitoring cannot be considered extraordinary and rare circumstances that would necessitate access to this information. When access to the true name of victims of a crime is necessary, appropriate steps to protect this sensitive information must be taken by both the SUBRECIPIENT and the Federal awarding agency or COUNTY. Any such access, other than under a court order or subpoena pursuant to a bona fide confidential investigation, must be approved by the head of the Federal awarding agency or delegate.

Staff is requesting authorization to submit an application for \$2.0 million in HOME Program to augment funds for the City's existing First Time Homebuyer and Housing Rehabilitation Programs. Resolution No. 2024-18 authorizes staff to submit an application.

OUTSTANDING ISSUES

None.

DISCUSSION

The Home Investment Partnership Program (HOME) Notice of Funding Availability (NOFA) provides an opportunity for funding of the following programs intended to predominantly benefit low- and moderate-income Californians:

Project Activities:

1. Multi-family Rental Projects (new construction and/or rehab)
2. First-Time Homebuyer Projects (subdivision development)

Program Activities:

1. First-Time Home Buyer (FTHB) Projects (construction financing and homebuyer mortgages assistance only).
2. Program Activities
 - o First-Time Homebuyer (FTHB) program
 - o Owner-Occupied Rehabilitation (OOR) program
 - o Tennant-Based Rental Assistance (TBRA) program

The city has 22 households on an interest list for owner-occupied housing rehabilitation. Job costs range from \$85,000 to \$250,000 per unit depending on the extent of the repairs required. In addition, the city continues to receive interest in the City's First-Time Homebuyer Program and currently has one active loan on hold. First-Time Homebuyer Loans are an average of \$100,000 per unit.

The City proposes to apply for HOME funds for the following programs:

Owner Occupied Housing Rehabilitation	\$ 735,000
General Administration	25,000
Activity Delivery	240,000
TOTAL	\$1,000,000

First-Time Homebuyer Acquisition	\$ 910,000
General Administration	25,000
Activity Delivery	65,000
TOTAL	\$1,000,000

The proposed Owner-Occupied Rehabilitation program guidelines provides funding to homeowners with households' incomes at or below 80% of the area median income (AMI) to fund home repairs for the correction of items which jeopardized the health and safety of the occupants. Units being assisted must be clear of all code violations and all major components of the unit must have a useful life of five years upon connection of work. All work must be performed by a licensed contract and meet building code standards. Units are eligible for reconstruction when the cost to repair the unit exceeds the cost to construct a new unit in its place. Reconstructed units must be replaced by a like unit, no additions of bedrooms or bathrooms are allowed unless justified due to overcrowded Financing is provided up to the maximum allowed per bedroom as provided by HUD. Properties after-rehabilitation value may not exceed the maximum purchase price/value limit set by HUD annually. Financing is provided as deferred payment, zero interest loan, with a 30-year term, due and payable upon sale or transfer of title.

The proposed First-Time Homebuyer Acquisition with Rehabilitation guidelines provides secondary financing to first-time homebuyers with household incomes at or below 80% of area median income (AMI) for down payment, closing costs and gap financing, as well as home repairs, if needed. Funding is available up to 50% of the maximum purchase price or the maximum funding limit set by HUD. Whichever is less. Loans are zero interest, deferred payment loans with a term of 45 years and become due and payable upon sale or transfer of title. The amount of funding provided is based on the

household's income, housing and debt ratios, maximum funding borrower qualifies for with primary lender, and the purchase price of the unit. Homes purchased may not exceed the maximum purchase price limits provided by HUD annually.

The adoption of Resolution number 2024-18 (Attachment 'A') will authorize the submittal of the HOME Investment Partnerships Program grant application and will authorize the City Manager, Public Works Director or his/her designee to execute a Standard Agreement, any necessary amendments and all associated grant documents.

FISCAL IMPACT

The preparation of the HOME applications by Self-Help Enterprises is \$4,500 and is budgeted out of local funds. All grant administration and implementation will be funded by the grant award.

Subject: Resolution No. 2024-19 Authorization to Enter Into Agreement for Acquisition of Golf Course Equipment (KS)

RECOMMENDATION

Council to adopt Resolution No. 2024-19 authorizing the Administrative Services Director to enter into an agreement for acquisition of new golf carts and lawn maintenance equipment for Ridge Creek Golf Course.

EXECUTIVE SUMMARY

The City is proposing to lease four new pieces of equipment for the Ridge Creek Golf Course. The City will use PNC Equipment Finance for the lease financing.

OUTSTANDING ISSUES

None.

DISCUSSION

The City is proposing to lease several pieces of equipment for the Ridge Creek Golf Course. The maintenance and upkeep on these large pieces of equipment has steadily been increasing. It is anticipated the maintenance costs will continue to grow and eventually exceed the cost of leasing new equipment.

The equipment to be leased include:

- Two (2) new Workman MDX light duty work carts for use by maintenance staff. The existing carts are five years old and past their useful life.
- One (1) Grounds Master Main Mower used for clearing roughs around the golf course. The current rough mower is 12 years old and has frequently been out of service for repairs and maintenance forcing crews to use two smaller mowers, which takes much longer to mow.

- One (1) Sand Pro multi-purpose machine used for edging the cart paths, moving and smoothing sand in the bunkers. The current Sand Pro is over 16 years old and passed its useful life.

The City will use PNC Equipment Financing to purchase the equipment. Resolution No. 2024-19 enclosed herein as Attachment 'A' authorizes the City to enter into the lease agreement with PNC Equipment Financing enclosed as Attachment 'B'. Under the terms of the agreement, the lease payments will be \$3,143 per month over five years with an option to buy the equipment at the end of the lease agreement.

FISCAL IMPACT

The monthly lease payments for the equipment will total approximately \$3,143. The term of the lease is five years. The lease payments are currently included in the 2023/24 fiscal year budget.

TERMS AND CONDITIONS

- LEASE.** Subject to the terms of this Lease, Lessee agrees to lease from Lessor the equipment (the “Equipment”) described above when Lessor accepts this Lease. Lessee agrees to be bound by all the terms of this Lease.
- DELIVERY AND ACCEPTANCE OF EQUIPMENT.** Acceptance of the Equipment occurs upon delivery. When Lessee receives the Equipment, Lessee agrees to inspect it and to verify by telephone or in writing such information as Lessor may require. Delivery and installation costs are Lessee’s responsibility. If Lessee signed a purchase contract for the Equipment, by signing this Lease Lessee assigns its rights, but none of its obligations under the purchase contract, to Lessor.
- RENT.** Lessee agrees to pay Lessor Rent (plus applicable taxes) in the amount and frequency stated above. If Lessee’s Rent payments are due in Advance, Lessee’s first Rent payment is due on the date Lessee accepts the Equipment under the Lease. Lessor will advise Lessee as to (a) the due date of each Rent payment, and (b) the address to which Lessee must send payments. Rent is due whether or not Lessee receives an invoice from Lessor. Lessee will pay Lessor any required advance rent when Lessee signs this Lease. Lessee authorizes Lessor to change the Rent by not more than 15% due to changes in the Equipment configuration, which may occur prior to Lessor’s acceptance of this Lease. Restrictive endorsements on checks Lessee sends to Lessor will not reduce Lessee’s obligations to Lessor.
NON-APPROPRIATION OF FUNDS. Lessee intends to remit all Rent and other payments to Lessor for the full Lease Term if funds are legally available. In the event Lessee is not granted an appropriation of funds at any time during the Lease Term for the Equipment subject to this Lease and operating funds are not otherwise available to Lessee to pay the Rent and other payments due and to become due under this Lease, and there is no other legal procedure or available funds by or with which payment can be made to Lessor, and the non-appropriation did not result from an act or omission by Lessee, Lessee shall have the right to return the Equipment as provided herein and terminate this Lease on the last day of the fiscal period for which appropriations were received without penalty or expense to Lessee, except as the portion of Rent for which funds shall have been appropriated and budgeted. At least 30 days prior to the end of Lessee’s fiscal year, Lessee’s chief executive officer (or legal counsel) shall certify in writing that (a) funds have not been appropriated for the upcoming fiscal period, (b) such non-appropriation did not result from any act or failure to act by Lessee, and (c) Lessee has exhausted all funds legally available for the payment of Rent.
- UNCONDITIONAL OBLIGATION.** LESSEE AGREES THAT IT IS UNCONDITIONALLY OBLIGATED TO PAY ALL RENT AND ANY OTHER AMOUNTS DUE UNDER THIS LEASE IN ALL FISCAL YEARS IN WHICH FUNDS HAVE BEEN APPROPRIATED NO MATTER WHAT HAPPENS, EVEN IF THE EQUIPMENT IS DAMAGED OR DESTROYED, IF IT IS DEFECTIVE OR IF LESSEE HAS TEMPORARY OR PERMANENT LOSS OF ITS USE. LESSEE IS NOT ENTITLED TO ANY REDUCTION OR SET-OFF AGAINST RENT OR OTHER AMOUNTS DUE UNDER THIS LEASE FOR ANY REASON WHATSOEVER.

- 5. DISCLAIMER OF WARRANTIES.** THE EQUIPMENT IS BEING LEASED TO LESSEE IN "AS IS" CONDITION. LESSEE AGREES THAT LESSOR HAS NOT MANUFACTURED THE EQUIPMENT AND THAT LESSEE HAS SELECTED THE EQUIPMENT BASED UPON LESSEE'S OWN JUDGMENT. LESSEE HAS NOT RELIED ON ANY STATEMENTS LESSOR OR ITS EMPLOYEES HAVE MADE. LESSOR HAS NOT MADE AND DOES NOT MAKE ANY EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, DESIGN, CONDITION, DURABILITY, OPERATION, QUALITY OF MATERIALS OR WORKMANSHIP, OR COMPLIANCE WITH SPECIFICATIONS OR APPLICABLE LAW. Lessee is aware of the name of the Equipment manufacturer. If the manufacturer has provided Lessor with a warranty, Lessor assigns its rights to such warranty to Lessee and Lessee may enforce all warranty rights directly against the manufacturer of the Equipment. Lessee agrees to settle any dispute regarding performance of the Equipment directly with the manufacturer of the Equipment.
- 6. TITLE AND SECURITY INTEREST.** Unless otherwise required by the laws of the state where Lessee is located, Lessee shall have title to the Equipment immediately upon delivery and shall be deemed to be the owner of the Equipment as long as Lessee is not in default under this Lease. In the event of a default, title to the Equipment shall revert to Lessor free and clear of any rights or interest Lessee may have in the Equipment. To secure all of Lessee's obligations to Lessor under this Lease Lessee hereby grants Lessor a security interest in (a) the Equipment to the extent of Lessee's interest in the Equipment, (b) anything attached, added, replaced and/or substituted to the Equipment at any time, (c) any money or property from the sale of the Equipment, and (d) any money from an insurance claim if the Equipment is lost or damaged. Lessee agrees that the security interest will not be affected if this Lease is changed in any way.
- 7. USE, MAINTENANCE AND REPAIR.** Lessee will not move the Equipment from the Equipment Location without Lessor's advance written consent. Lessee will give Lessor reasonable access to the Equipment Location so that Lessor can check the Equipment's existence, condition and proper maintenance. Lessee will use the Equipment in the manner for which it was intended, as required by all applicable manuals and instructions, and keep it eligible for any manufacturer's certification and/or standard full-service maintenance contract. At Lessee's own cost and expense, Lessee will keep the Equipment in good repair, condition and working order, ordinary wear and tear excepted. Lessee will not make any permanent alterations to the Equipment and will remove any alterations or markings from the Equipment before returning to Lessor.
- 8. TAXES.** Unless a proper exemption certificate is provided, applicable sales and use taxes will be added to the Rent. Lessee agrees to pay Lessor, when invoiced, all taxes (including any sales, use and personal property taxes), fines, interest and penalties relating to this Lease and the Equipment (excluding taxes based on Lessor's net income). Lessee agrees to file any required personal property tax returns and, if Lessor asks, Lessee will provide Lessor with proof of payment. Lessor does not have to contest any tax assessments.
- 9. INDEMNITY.** Lessor is not responsible for any injuries, damages, penalties, claims or losses, including legal expenses, incurred by Lessee or any other person caused by the transportation, installation, manufacture, selection, purchase, lease, ownership, possession, modification, maintenance, condition, operation, use, return or disposition of the Equipment. To the extent permitted by law, Lessee agrees to reimburse Lessor for and defend Lessor against any claims for such losses, damages, penalties, claims, injuries, or expenses. This indemnity continues even after this Lease has expired, for acts or omissions that occurred during the Lease Term.
- 10. IDENTIFICATION.** Lessee authorizes Lessor to insert or correct missing information on this Lease, including serial numbers and any other information describing the Equipment.
- 11. LOSS OR DAMAGE.** Lessee is responsible for any loss of the Equipment from any cause at all, whether or not insured, from the time the Equipment is shipped to Lessee until it is returned to Lessor. If any item of Equipment is lost, stolen or damaged, Lessee will promptly notify Lessor of such event. Then, at Lessor's option, Lessee will either (a) repair the Equipment so that it is in good condition and working order, eligible for any manufacturer's certification, or (b) pay Lessor an amount equal to the Net Book Value (as defined herein) of the lost, stolen or damaged Equipment. If Lessee has satisfied their obligations herein, Lessor will forward to Lessee any insurance proceeds which Lessor receives for lost, damaged, or destroyed Equipment. If Lessee is in default, Lessor will apply any insurance proceeds Lessor receives to reduce Lessee's obligations pursuant to this Lease.
- 12. INSURANCE.** Lessee agrees to (a) keep the Equipment fully insured against loss, naming Lessor as loss payee, and (b) obtain a general public liability insurance policy covering both personal injury and property damage in amounts not less than Lessor may tell Lessee, naming Lessor as additional insured, until Lessee has met all their obligations under this Lease. Lessor is under no duty to tell Lessee if Lessee's insurance coverage is adequate. The policies shall state that Lessor is to be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. Upon Lessor's request, Lessee agrees to provide Lessor with evidence of insurance acceptable to Lessor. If Lessee does not provide Lessor with evidence of proper insurance within ten days of Lessor's request or Lessor receives notice of policy cancellation, Lessor may (but Lessor is not obligated to) obtain insurance on Lessor's interest in the Equipment at Lessee's expense. Lessee will pay all insurance premiums and related charges.
- 13. DEFAULT.** Lessee will be in default under this Lease if any of the following happens: (a) Lessor does not receive any Rent or other payment due under this Lease within ten days after its due date, (b) Lessee fails to perform or observe any other promise or obligation in this Lease and does not correct the default within ten days after Lessor sends Lessee written notice of default, (c) any representation, warranty or statement Lessee has made in this Lease shall prove to have been false or misleading in any material respect, (d) any insurance carrier cancels or threatens to cancel any insurance on the Equipment, (e) the Equipment or any part of it is abused, illegally used, misused, lost, destroyed, or damaged beyond repair, (f) a petition is filed by or against Lessee under any bankruptcy or insolvency laws, or (g) Lessee defaults on any other agreement between it and Lessor (or Lessor's affiliates).
- 14. REMEDIES.** Upon the occurrence of a default, Lessor may, in its sole discretion, do any or all of the following: (a) provide written notice to Lessee of default, (b) as liquidated damages for loss of a bargain and not as a penalty, declare due and payable, the present value of (i) any and all amounts which may be then due and payable by Lessee to Lessor under this Lease, plus (ii) all Rent payments remaining through the end of the then current fiscal year, discounted at the higher of 3% or the lowest rate allowed by law (collectively, the "Net Book Value") and (c) require Lessee to immediately return the Equipment to Lessor. Lessor has the right to require Lessee to make the Equipment available to Lessor for repossession during reasonable business hours or Lessor may repossess the Equipment, so long as Lessor does not breach the peace in doing so, or Lessor may use legal process in compliance with applicable law pursuant to court order to have the Equipment repossessed. Lessee will not make any claims against Lessor or the Equipment for trespass, damage or any other reason. If Lessor takes possession of the Equipment Lessor may (a) sell or lease the Equipment at public or private sale or lease without notice, and/or (b) exercise such other rights as may be allowed by applicable law. Although Lessee agrees that Lessor has no obligation to sell the Equipment, if Lessor does sell the Equipment, Lessor will reduce the Net Book Value by the amounts Lessor receives. Lessee will immediately pay Lessor the remaining Net Book Value. Lessee agrees (a) to pay all of the costs Lessor incurs to enforce Lessor's rights

against Lessee, including attorney's fees, and (b) that Lessor will retain all of Lessor's rights against Lessee even if Lessor does not choose to enforce them at the time of Lessee's default.

- 15. LESSEE'S OPTION AT END OF LEASE.** Provided Lessee is not in default, upon expiration of the Lease Term, Lessee has the option to purchase all but not less than all of the Equipment for \$1.00 (plus all sales and other applicable taxes).
- 16. RETURN OF EQUIPMENT.** If (a) default occurs, or (b) a non-appropriation of funds occurs as provided herein, Lessee will immediately return the Equipment to any location(s) in the continental United States and aboard any carriers(s) Lessor may designate. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, maintained in accordance with this Lease, and in "Average Saleable Condition." "Average Saleable Condition" means that all of the Equipment is immediately available for use by a third-party buyer, user or lessee, other than Lessee named in this Lease, without the need for any repair or refurbishment. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Rent until the Equipment is received and accepted by Lessor.
- 17. LESSEE'S REPRESENTATIONS AND WARRANTIES.** Lessee hereby represents and warrants to Lessor that as of the date of this Lease, and throughout the Lease Term: (a) Lessee is the entity indicated in this Lease; (b) Lessee is a state or a fully constituted political subdivision or agency of the State in which Lessee is located; (c) Lessee is duly organized and existing under the constitution and laws of the state in which they are located; (d) Lessee is authorized to enter into and carry out Lessee's obligations under this Lease, any documents relative to the acquisition of the Equipment and any other documents required to be delivered in connection with this Lease (collectively, the "Documents"); (e) the Documents have been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, rules, ordinances, and regulations, the Documents are valid, legal, binding agreements, enforceable in accordance with their terms and the person(s) signing the Documents have the authority to do so, are acting with the full authorization of Lessee's governing body, and hold the offices indicated below their signature, each of which are genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority; (g) Lessee intends to use the Equipment for the entire Lease Term for such function and shall take all necessary action to include in Lessee's annual budget any funds required to fulfill Lessee's obligations for each fiscal year during the Lease Term; (h) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with this Lease and the acquisition of the Equipment; (i) Lessee's obligations to remit Rent under this Lease constitutes a current expense and not a debt under applicable state law and no provision of this Lease constitutes a pledge of Lessee's tax or general revenues, and any provision which is so constructed by a court of competent jurisdiction is void from the inception of this lease; and (j) all financial information Lessee has provided to Lessor is true and accurate and provides a good representation of Lessee's financial condition.
- 18. LESSEE'S PROMISES.** In addition to the other provisions of this Lease, Lessee agrees that during the term of this Lease (a) Lessee will promptly notify Lessor in writing if it moves its principal office or changes its name or legal structure, (b) Lessee will provide to Lessor such financial information as may reasonably request from time to time, and (c) Lessee will take any action Lessor reasonably requests to protect Lessor's rights in the Equipment and to meet Lessee's obligations under this Lease.
- 19. ASSIGNMENT. LESSEE WILL NOT SELL, TRANSFER, ASSIGN, PLEDGE, SUB-LEASE OR PART WITH POSSESSION OF THE EQUIPMENT OR FILE OR PERMIT A LIEN TO BE FILED AGAINST THE EQUIPMENT.** Lessee will not attach any of the Equipment to any real estate.
- 20. ASSIGNMENT BY LESSOR.** This Lease, and the rights of Lessor hereunder and in and to the Equipment, may be assigned and reassigned in whole or in part to one or more assignees by Lessor or its assigns at any time without the necessity of obtaining the consent of Lessee. Upon an assignment, Lessee agrees to make all payments as designated in the assignment, notwithstanding any claim, defense, setoff or counterclaim whatsoever (whether arising from a breach of this Lease or otherwise) that Lessee may from time to time have against Lessor or Lessor's assigns.
- 21. COLLECTION EXPENSES, OVERDUE PAYMENT.** Lessee agrees that Lessor can, but does not have to, take on Lessee's behalf any action which Lessee fails to take as required by this Lease, and Lessor's expenses will be in addition to that of the Rent which Lessee owes Lessor. If Lessor receives any payment from Lessee after the due date, Lessee shall pay Lessor on demand as a late charge 5% of such overdue amount, limited, however, to the maximum amount allowed by law.
- 22. MISCELLANEOUS.** This Lease contains the entire agreement and supersedes any conflicting provision of any equipment purchase order or any other agreement. **TIME IS OF THE ESSENCE IN THIS LEASE.** If a court finds any provision of Lease to be unenforceable, the remaining terms of this Lease shall remain in effect. **THIS LEASE IS A "FINANCE LEASE" AS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE.** Lessee authorizes Lessor (or Lessor's agent) to (a) obtain credit reports, (b) make such other credit inquiries as Lessor may deem necessary, and (c) furnish payment history information to credit reporting agencies. To the extent permitted by law, Lessor may charge Lessee a fee of \$250.00 to cover Lessor's documentation and investigation costs.
- 23. NOTICES.** All of Lessee's written notices to Lessor must be sent by certified mail or recognized overnight delivery service, postage prepaid, to Lessor at Lessor's address stated in this Lease, or by facsimile transmission to Lessor's facsimile telephone number, with oral confirmation of receipt. All of Lessor's notices to Lessee may be sent first class mail, postage prepaid, to Lessee's address stated in this Lease. City Council Staff Report

Department: FINANCE SERVICES

March 26, 2024

To: Mayor and City Council

From: Karina Solis, Administrative Services Director

Subject: Successor Agency Resolution No. 2024-1 Authorizing the Refunding of 2014 Tax Allocation Bonds for Debt Service Savings (KS)

RECOMMENDATION

Successor Agency to adopt Resolution No. 2024-1 authorizing the issuance and sale of Tax Allocation Refunding Bonds in an amount of not to exceed \$11,000,000, approving the form of an Indenture of Trust and a form of Escrow Agreement, and authorizing certain other actions in connection therewith.

EXECUTIVE SUMMARY

The Successor Agency for the former Dinuba Redevelopment Agency is proposing to refinance \$10.2 million in outstanding debt that was issued in 2014. By refinancing this debt at a lower interest rate, the Successor Agency is expected to save approximately \$878,300 interest payments. Resolution No. 2024-1 authorizes staff to refinance this debt.

OUTSTANDING ISSUES

None.

DISCUSSION

In 2014 the Successor Agency to the former Dinuba Redevelopment Agency issued Tax Allocation Refunding Bonds in the amount of \$14,650,000. The current balance on this debt is \$10,230,000. The 2014 bonds have an interest rate of 5%. Staff anticipates that the current interest rates would be less than 3%, resulting in a savings of approximately \$878,300 in interest payments over the remaining life of the bonds. The term of the original bonds will remain unchanged and will be paid off on September 1, 2033.

Based on the redevelopment dissolution laws, the savings amount would be split among taxing entities, including the county, school districts, and the City's general fund. The City general fund share of a residual property tax dollar is approximately 17.3%, making the City's share of the estimated total debt

service savings approximately \$152,000.

Once the Successor Agency authorizes the refinancing of the bonds, the City is required present the proposed refinancing to the Countywide Oversight Board for review and approval. Staff expects to present this item to the Oversight Board on April 19. If approved by the Oversight Board, the State Department of Finance has 60 days to review and approve the refinancing.

Once all agencies approve the bond refinancing, staff expects for the bonds to be priced and sold the first week of July 2024. Resolution No. 2024-1 enclosed herein as Attachment 'A' is the necessary first step in authorizing the refinancing.

FISCAL IMPACT

The total estimated debt service savings that will be generated by refunding the Prior Obligations is approximately \$878,300. The City's General Fund share of the estimated total debt service savings is approximately \$152,000.

Pursuant to the requirements contained in SB 450, estimated financial information relative to the issuance of the 2024 Bonds is shown in the table below:

<i>Item</i>	<i>Estimate as of 3/14/2024</i>
<i>1. True Interest Cost of the 2024 Bonds</i>	<i>3.013%</i>
<i>2. Finance Charge of the Bonds</i>	<i>\$365,982</i>
<i>3. Net Bond Proceeds</i>	<i>\$10,444,571</i>
<i>4. Total Payment Amount</i>	<i>\$12,582,181</i>

1. True interest cost of the bonds: This is the estimated interest rate for the 2024 Bonds, and includes certain finance charges.

2. Finance charge of the bonds: This is the total amount of fees and expenses for refinancing the Prior Obligations (a one-time charge). This amount will be paid from bond proceeds of the 2024 Bonds.

3. Net Bond Proceeds: This is the net amount that will be produced from the 2024 Bonds after all costs, which will provide the total amount needed to payoff the outstanding 2014 Bonds.

4. Total Payment Amount: This is total principal and interest payments, plus an (est.) \$2,500 annual Trustee fee as long as the 2024 Bonds are outstanding.

The repayment of principal and interest on the 2024 Bonds is payable solely from Pledged Tax Revenues, which is tax increment revenues from the Project Area deposited into the Agency's Redevelopment Property Tax Trust Fund ("RPTTF"), and available after satisfying certain administrative costs of the County and pass through obligations to affected taxing entities. All costs of issuance of the 2024 Bonds will be paid from a portion of the bond proceeds.

All Bonds redeemed or purchased pursuant to this Section 2.03 shall be cancelled and destroyed.

(i) Purchase in Lieu of Redemption. In lieu of redemption of the Bonds, amounts on deposit in the Special Fund or in the Principal Account may also be used and withdrawn by the Successor Agency and the Trustee, respectively (subject to the approval of the 2024 Insurer as to the 2024 Bonds, so long as the 2024 Insurance Policy is in full force and effect and the 2024 Insurer has not defaulted on its obligations thereunder, such approval not to be unreasonably withheld or delayed), at any time, upon the Written Request of the Successor Agency, for the purchase of the Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Successor Agency may in its discretion determine. The par amount of any Bonds so purchased by the Successor Agency in any twelve-month period ending on July 1 in any year shall be credited towards and shall reduce the par amount of the Bonds required to be redeemed pursuant to a Supplemental Indenture on September 1 in each year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said July 1.

Section 2.04 Form of 2024 Bonds. The 2024 Bonds, the form of Trustee's Certificate of Authentication, and the form of Assignment to appear thereon, shall be substantially in the form set forth in Exhibit A, which is attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Section 2.05 Execution of Bonds. The Bonds shall be executed on behalf of the Successor Agency by the signature of its Executive Director or his or her written designee and the signature of its Secretary who are in office on the date of execution and delivery of this Indenture or at any time thereafter. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Successor Agency by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Successor Agency although on the date of such Bond any such person shall not have been such officer of the Successor Agency.

Only such of the Bonds as shall bear thereon a Certificate of Authentication in the form hereinbefore set forth, executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such Certificate shall be conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

Signatures on the Bonds on behalf of the Successor Agency required by this Section may be made manually or may be affixed by facsimile thereof.

Section 2.06 Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Principal Corporate Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond shall be surrendered for transfer, the Successor Agency shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Bond or Bonds of like series, tenor, maturity and aggregate principal amount of authorized denominations. The Holder requesting such transfer shall as a condition precedent to the exercise of the privilege of making such transfer remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such transfer. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.06, either (a) any Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption. The Trustee may further require all information it deems necessary to allow the Trustee to comply with any applicable reporting or withholding obligations under the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. To the extent any such information is not timely provided or is incomplete or inaccurate in any respect, the Trustee will be entitled to report or withhold on any payments hereunder, without liability, to the extent it determines in its discretion such reporting or withholding, as applicable, is required under the Code.

Prior to any transfer of the Bonds outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 2.07 Exchange of Bonds. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for Bonds of the same series, tenor and maturity and of other authorized denominations. The Holder requesting such exchange shall as a condition precedent to the exercise of the privilege of making such exchange remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Successor Agency.

The Trustee may refuse to exchange, under the provisions of this Section 2.07, either (a) any Bonds during the fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption or (b) any Bonds selected by the Trustee for redemption. The Trustee may further require all information it deems necessary to allow the Trustee to comply with any applicable reporting or withholding obligations under the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. To the extent any such information is not timely provided or is incomplete or inaccurate in any respect, the Trustee

will be entitled to report or withhold on any payments hereunder, without liability, to the extent it determines in its discretion such reporting or withholding, as applicable, is required under the Code.

Section 2.08 Registration of Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection and copying by the Successor Agency, upon reasonable prior notice to the Trustee; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Bonds as hereinbefore provided.

Section 2.09 Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to the Trustee and Successor Agency and indemnity satisfactory to the Trustee and Successor Agency shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Successor Agency). The Successor Agency may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.09 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.10 Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, neither the Successor Agency nor the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, neither the Successor Agency nor the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the

Depository of the beneficial interests in the Bonds to be redeemed in the event the Successor Agency elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Successor Agency and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bondowner shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Successor Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Successor Agency shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bondowners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Successor Agency may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Successor Agency determines to terminate the Depository as such, then the Successor Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Successor Agency and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Successor Agency fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments

with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.11 Applicability of Provisions to Parity Debt. Unless otherwise provided in a Supplemental Indenture, the provisions of subdivisions (d) through (j) of Section 2.03 and Sections 2.05 through 2.10 shall apply to all Bonds unless otherwise provided in a Parity Debt Instrument or Supplemental Indenture.

ARTICLE III

DEPOSIT AND APPLICATION; ADDITIONAL DEBT

Section 3.01 Issuance of Bonds. Upon the execution and delivery of this Indenture, the Successor Agency shall execute and deliver to the Trustee the 2024 Bonds in the aggregate principal amount of \$_____ and the Trustee shall authenticate and deliver the 2024 Bonds upon the Written Request of the Successor Agency.

Section 3.02 Application of Proceeds of Sale and Certain Other Amounts.

(a) On the Closing Date the net proceeds of sale of the 2024 Bonds received by the Trustee, being \$_____ (calculated as the par amount thereof, plus original issue premium in the amount of \$_____, less the discount of the original purchaser thereof in the amount of \$_____, less the portion of the premiums for the 2024 Insurance Policy and the 2024 Reserve Policy allocable to the 2024 Bonds in the amount of \$_____ paid directly to the 2024 Insurer), shall be applied as follows:

(i) The Trustee shall deposit the amount of \$_____ in the 2024 Account of the Costs of Issuance Fund.

(ii) The Trustee shall transfer \$_____ to the Escrow Bank for deposit into the escrow fund established under the 2014 Bonds Escrow Agreement.

The Trustee shall deposit the 2024 Reserve Policy into the Reserve Account.

The Trustee may establish and maintain for so long as is necessary one or more temporary funds and accounts (or subaccounts) under this Indenture, including but not limited to a temporary fund for holding the proceeds of the Bonds.

Section 3.03 Costs of Issuance Fund. There is hereby established a separate fund to be known as the “Costs of Issuance Fund”, which shall be held by the Trustee in trust. The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance with respect to the 2024 Bonds upon submission of a Written Request of the Successor Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Request of the Successor Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts and shall be fully protected in relying thereon. Upon the Written Request of the Successor Agency, all amounts (if any) remaining in the Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and

transferred to the Interest Account within the Debt Service Fund, and the Costs of Issuance Fund and accounts therein shall be closed.

Section 3.04 Issuance of Parity Debt. In addition to the 2024 Bonds, the Successor Agency may issue Parity Debt to refund any outstanding 2024 Bonds and Parity Debt for savings, in such principal amount as shall be determined by the Successor Agency. The Successor Agency may issue and deliver any such Parity Debt subject to the following specific conditions all of which are hereby made conditions precedent to the issuance and delivery of such Parity Debt:

(a) No Event of Default (or, unless otherwise permitted by the 2024 Insurer so long as the 2024 Insurance Policy is in full force and effect and the 2024 Insurer is not in default on its obligations thereunder, event which, once all notice or grace periods have passed, would constitute an Event of Default) hereunder and no event of default under any Parity Debt Instrument shall have occurred and be continuing unless cured by the issuance of such Parity Debt;

(b) The Parity Debt shall be issued to provide savings to the Successor Agency in compliance with Health and Safety Code Section 34177.5(a);

(c) A Supplemental Indenture or Parity Debt Instrument shall have been adopted which shall (i) state the applicable reserve requirement and the amount, if any, to be deposited from the proceeds of sale of such Parity Debt in a separate account of the Reserve Account or other debt service reserve account or fund as provided in such Supplemental Indenture or Parity Debt Instrument, to be held as separate security for such series of Parity Debt; (ii) designate accounts and subaccounts within the Debt Service Fund, including within the Reserve Account if applicable, to be used in connection with such Parity Debt; and (iii) set forth such other provisions that are appropriate or necessary and are not inconsistent with the provisions hereof;

(d) Such Supplemental Indenture or Parity Debt Instrument shall not provide as a remedy for any event of default thereunder a declaration that all of such Parity Debt then outstanding, and the interest accrued thereon, is due and payable immediately; and

(e) The Successor Agency shall deliver to the Trustee a Written Certificate of the Successor Agency certifying that the conditions precedent to the issuance of such Parity Debt set forth above have been satisfied.

Section 3.05 Issuance of Subordinate Debt. Notwithstanding the foregoing, no provision herein shall prevent the Successor Agency from issuing additional bonds or incurring other loans, advances or indebtedness payable from Tax Revenues on a subordinate basis to the 2024 Bonds and Parity Debt.

ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.01 Security of Bonds; Equal Security. Subject to the provisions of Section 4.02 and Section 6.06 hereof allowing for the application of Tax Revenues, all Tax Revenues and the Redevelopment Obligation Retirement Fund, including the Special Fund therein, and all amounts in the Redevelopment Property Tax Trust Fund are irrevocably pledged under this Indenture to secure the payment of the principal of and interest on the 2024 Bonds and all Parity Debt without preference or

priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Such pledge shall constitute a lien on and security interest in the Tax Revenues and the Redevelopment Obligation Retirement Fund, including the Special Fund therein, and all amounts in the Redevelopment Property Tax Trust Fund, and will attach, be perfected and be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the Successor Agency, irrespective of whether such parties have notice of this Indenture; provided however, the parties hereto acknowledge that the County Auditor-Controller is authorized by Section 34183(a) of the Dissolution Act to use Tax Revenues to pay the County's administrative costs allowed under Section 34182 and Section 95.3 of the Revenue and Taxation Code, and is required by Section 34183(a)(1) of the Dissolution Act to pay Tax Revenues to the taxing entities pursuant to the Pass-Through Agreements and to taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law (unless such payments are subordinated to payments on the 2024 Bonds and Parity Debt pursuant to Section 33607.5(e) of the Law or 34177.5(c) of the Dissolution Act). Except for the Tax Revenues, such amounts and such funds and accounts, no other moneys, funds, accounts or properties of the Successor Agency are pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the 2024 Bonds or Parity Debt except as provided in the following paragraph with respect to the 2024 Bonds and other Bonds.

The Debt Service Fund and any fund or account or subaccounts created under this Indenture (other than the Costs of Issuance Fund and the Rebate Fund), including amounts on deposit therein (including proceeds of the 2024 Bonds), are irrevocably pledged under this Indenture to secure the payment of the principal of and interest on the 2024 Bonds and other Bonds without preference or priority for series issue, number, dated date, sale date, date of execution or date of delivery. Such pledge shall constitute a first and exclusive lien on and security interest in the Debt Service Fund and any other fund or account created under this Indenture (except for the Reserve Account, which shall only secure the 2024 Bonds, and any subaccounts therein created in the future in connection with the issuance of Parity Debt, which subaccounts shall only secure such Parity Debt), and including amounts on deposit therein (including proceeds of the 2024 Bonds), and will attach, be perfected and be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the Successor Agency, irrespective of whether such parties have notice of this Indenture, subject to Section 6.06.

The parties acknowledge that Section 34177.5(g) of the Dissolution Act provides that the 2024 Bonds and Parity Debt are further secured by a pledge of, and lien on moneys deposited in the Redevelopment Property Tax Trust Fund held by the County Auditor Controller related to the Successor Agency, which moneys, subject to the payment by the County Auditor Controller of certain amounts to the County for administrative costs allowed under Section 34182 and Section 95.3 of the Revenue and Taxation Code, to the taxing entities pursuant to the Pass-Through Agreements, and to taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law (unless such payments are subordinated to payments on the 2024 Bonds and Parity Debt pursuant to Section 33607.5(e) of the Law or Section 34177.5(c) of the Dissolution Act).

In consideration of the acceptance of the 2024 Bonds and other Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the 2024 Bonds and other Bonds without preference, priority or distinction as to security or otherwise of any of the 2024 Bonds and other Bonds over any of the others by reason of the number or date thereof or the time of sale, execution

and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02 Redevelopment Obligation Retirement Fund; Special Fund; Deposit of Tax Revenues. There is hereby established a special fund to be known as the “Special Fund” which is to be held by the Successor Agency within the Redevelopment Obligation Retirement Fund. The Special Fund shall be held by the Successor Agency separate and apart from other funds of the Successor Agency.

The Successor Agency shall deposit all of the Tax Revenues received with respect to any ROPS Period into the Special Fund promptly upon receipt thereof by the Successor Agency in accordance with Section 5.13 hereof. Except as may be provided to the contrary in this Indenture or in any Supplemental Indenture or Parity Debt Instrument, upon receipt by the Successor Agency of money from the Redevelopment Property Tax Trust Fund requested in accordance with Section 5.13, subdivisions (b) or (c), as applicable, on each January 2 and June 1 or other date(s) on which Redevelopment Property Tax Trust Fund moneys are distributed to the Successor Agency, and deposit of such amounts into the Special Fund, all Tax Revenues received by the Successor Agency in excess of such amounts shall be released from the pledge and lien hereunder and shall be applied in accordance with the Law and the Dissolution Act, including but not limited to the payment of debt service on any subordinate debt. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indentures or other Parity Debt Instrument, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Special Fund, except as may be provided in this Indenture and in any Supplemental Indenture or other Parity Debt Instrument.

Section 4.03 Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, and an Interest Account and Principal Account therein (together with the Reserve Account established under Section 4.03(c)), which shall be held by the Trustee hereunder in trust. If Parity Debt is issued under a Supplemental Indenture, the Trustee shall establish subaccounts within each account for each issue of Parity Debt, including a separate subaccount of the Reserve Account as security for Parity Debt pursuant to and as provided in a Supplemental Indenture to the extent provided under Section 3.04 hereof, if applicable. Moneys in the Special Fund shall be transferred by the Successor Agency to the Trustee in the following amounts, at the following times, and deposited by the Trustee, on a pro-rata basis amongst series of Bonds, in the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority (provided further that, if on the fifth (5th) Business Day prior to the date the Successor Agency is required to transfer amounts on deposit in the Special Fund to the Trustee there are not amounts on deposit therein sufficient to make the following deposits, taking into account amounts required to be transferred with respect to Bonds other than the 2024 Bonds, the Successor Agency shall immediately notify the Trustee of the amount of any such insufficiency and the Trustee shall deposit amounts received from the Successor Agency into the Interest Account and/or Principal Account, as applicable, on a pro-rata basis):

(a) Interest Account. On or before the fifth (5th) Business Day preceding each Interest Payment Date, commencing with the Interest Payment Date of _____ 1, ____ (with respect to the 2024 Bonds), the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee, for deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit

need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable.

(b) Principal Account. On or before the fifth (5th) Business Day preceding September 1 in each year in which principal is due on any Bonds, the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Bonds, including pursuant to mandatory sinking account redemption, on the next September 1. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next September 1 on all of the Outstanding Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds, including by mandatory sinking account redemption, as the same shall become due and payable.

(c) Reserve Account. There is hereby established in the Debt Service Fund a separate account known as the "Reserve Account" solely as security for payments of 2024 Bonds payable by the Successor Agency pursuant to this Section 4.03 which shall in each case be held by the Trustee in trust for the benefit of the Owners of the 2024 Bonds, provided separate subaccounts may be established in the Reserve Account as separate security for any future issue of Parity Debt. The Reserve Requirement for the 2024 Bonds (calculated on a standalone basis) will be satisfied by the delivery of the 2024 Reserve Policy by the 2024 Insurer on the Closing Date with respect to the 2024 Bonds. The Successor Agency will have no obligation to replace the 2024 Reserve Policy or to fund the Reserve Account with cash if, at any time that the 2024 Bonds are Outstanding, any rating assigned to the 2024 Insurer is downgraded, suspended or withdrawn or amounts are not available under the 2024 Reserve Policy, other than in connection with a draw on the 2024 Reserve Policy.

Except as provided in the preceding paragraph and as may be provided in a Supplemental Indenture or Parity Debt Instrument, in the event that the amount on deposit in the Reserve Account (or the applicable subaccount) at any time becomes less than the Reserve Requirement applicable thereto, the Trustee shall promptly notify the Successor Agency of such fact. Upon receipt of any such notice and as promptly as is permitted by the Law, the Successor Agency shall transfer to the Trustee an amount sufficient to maintain the Reserve Requirement on deposit in the applicable Reserve Account.

The amounts available under the 2024 Reserve Policy shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority, in the event of any deficiency at any time in any of such accounts with respect to the payment of debt service on the 2024 Bonds.

Moneys, if any, on deposit in the Reserve Account (or the applicable subaccount therein) shall be withdrawn and applied by the Trustee for the final payment or payments of principal of and interest on the 2024 Bonds or any Bonds secured by the applicable account therein, respectively. The Trustee shall compute the Reserve Requirement annually on or before September 1.

In no event shall amounts in the Reserve Account (exclusive of subaccounts therein, which shall be applied in accordance with the terms of the Supplemental Indenture providing for Parity Debt) be applied to payment of any Bonds or Parity Debt other than 2024 Bonds.

Except as provided above, the amount on deposit in the Reserve Account (or applicable subaccount therein) shall be maintained at the Reserve Requirement at all times prior to the payment of the applicable series of Bonds in full. If there shall then not be sufficient Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account (or applicable subaccount therein), the Successor Agency shall be obligated to continue making transfers as Tax Revenues become available until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account (or applicable subaccount therein) . No such transfer and deposit need be made to the Reserve Account (or applicable subaccount therein) so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account (or applicable subaccount therein) shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Successor Agency is not in default hereunder or under any Parity Debt Instrument, any amount in the Reserve Account or subaccount thereof in excess of the applicable Reserve Requirement shall be withdrawn from the applicable Reserve Account semiannually on or before two (2) Business Days preceding each March 1 and September 1 by the Trustee and deposited in the Interest Account (or applicable subaccount therein). On the Business Day preceding the final Interest Payment Date for a series of Bonds (or multiple series of Bonds issued under this Indenture or a single Parity Debt Instrument), all amounts held in the applicable subaccount of the Reserve Account shall be withdrawn from the Reserve Account, or such applicable subaccount of the Reserve Account and shall be transferred to the applicable subaccounts of the Interest Account and the Principal Account, in such order, for such series of Bonds, to the extent required to make the deposits then required to be made pursuant to this Section 4.03.

The Successor Agency shall have the right at any time to direct the Trustee to release funds from the Reserve Account or subaccount thereof, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the Bonds or any Parity Debt the interest on which is excluded from gross income of the owners thereof for federal income tax purposes to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the Successor Agency to the Trustee of written calculation of the amount permitted to be released from the Reserve Account or applicable subaccount thereof (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account or subaccount thereof to the Successor Agency to be applied in accordance with the Law. The Trustee shall comply with the terms of any such Qualified Reserve Account Credit Instrument delivered to and accepted by it, as may be applicable to it and as shall be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this paragraph (d). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Successor Agency shall either (i) replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the applicable Reserve Requirement, to be derived from the first legally available Tax Revenues. If the applicable Reserve Requirement is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, the cash shall be first used to meet any deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture. If the Reserve Requirement is being maintained with two or more Qualified Reserve Account Credit Instruments, any draw to meet a deficiency which may exist from time to time in the Interest Account or the Principal Account for the

purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture shall be pro-rata with respect to each such instrument.

The prior written consent of the 2024 Insurer shall be a condition precedent to the deposit of any Qualified Reserve Account Credit Instrument provided in lieu of a cash deposit into the Reserve Account (other than with respect to any separate subaccount established in the Reserve Account as separate security for any future issue of Parity Debt).

The Reserve Account shall be maintained in the form of one or more separate subaccounts which are established for the purpose of holding the proceeds of separate issues of any Parity Debt in conformity with applicable provisions of the Code to the extent directed by the Successor Agency in writing to the Trustee. Separate series of Parity Debt may be secured by common subaccounts of the Reserve Account as provided in one or more Supplemental Indentures and/or Parity Debt Instruments from time to time.

Section 4.04 Rebate Fund. The Trustee shall establish a separate fund for the 2024 Bonds designated the “Rebate Fund.” Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the 2024 Bonds will not be adversely affected, the Successor Agency shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund for the 2024 Bonds shall be governed by this Section and the Tax Certificate, unless the Successor Agency obtains and delivers to the Trustee an opinion of Bond Counsel that the exclusion from gross income of interest on the 2024 Bonds will not be adversely affected for federal income tax purposes if such requirements are not satisfied. Notwithstanding anything to the contrary contained herein or in the Tax Certificate, the Trustee shall be deemed conclusively to have complied with the provisions of this Section and the Tax Certificate if the Trustee follows the directions of the Successor Agency, and the Trustee shall have no independent responsibility to or liability resulting from failure of the Trustee to enforce compliance by the Successor Agency with the Tax Certificate or the provisions of this Section.

(a) Excess Investment Earnings.

(i) Computation. Within 55 days of the end of each fifth Bond Year with respect to the 2024 Bonds, the Successor Agency shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g. the temporary investments exception of Section 148(f)(4)(B) and the construction expenditure exception of Section 148(f)(4)(C) of the Code), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “Rebatable Arbitrage”). The Successor Agency shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Transfer. Within 55 days of the end of each fifth Bond Year with respect to the 2024 Bonds, upon the Finance Director’s written direction, an amount shall be deposited to the Rebate Fund by the Successor Agency from any legally available funds, which may include transfer thereto from other funds and accounts established herein upon and pursuant to instruction of the Successor Agency to the Trustee (and provided that such transfer is permitted by the terms hereof

applicable to such other fund or account), so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this Section 4.04(a). In the event that immediately following the deposit or transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon written instructions from the Finance Director, the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Debt Service Fund.

(iii) Payment to the Treasury. The Successor Agency shall direct the Trustee in writing to pay to the United States Treasury, out of amounts in the Rebate Fund.

(X) Not later than 60 days after the end of (A) the fifth Bond Year with respect to the 2024 Bonds, and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(Y) Not later than 60 days after the payment of all the 2024 Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Successor Agency shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source, including the other funds and accounts established herein, equal to such deficiency in the Rebate Fund prior to the time such payment is due. Each payment required to be made pursuant to this Section 4.04(a)(iii) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T prepared by the Successor Agency, or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment of the 2024 Bonds and the payments described in Section 4.04(a)(iii), shall be transferred by the Trustee to the Successor Agency at the written direction of the Successor Agency and utilized in any manner by the Successor Agency.

(c) Survival of Defeasance. Notwithstanding anything in this Section 4.04 or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance of the 2024 Bonds and any Parity Debt.

(d) Trustee Responsible. The Trustee shall have no obligations or responsibilities under this Section other than to follow the written directions of the Successor Agency. The Trustee shall have no responsibility to make any calculations of rebate or to independently review or verify such calculations.

Section 4.05 Provisions Relating to 2024 Insurance Policy. Notwithstanding anything herein to the contrary, the following provisions shall govern with respect to the 2024 Insurer and the 2024 Insurance Policy:

(a) Claims upon the 2024 Insurance Policy. If, on the third Business Day prior to an Interest Payment Date there is not on deposit with the Trustee, after making all transfers and deposits

required hereunder, moneys sufficient to pay the principal of and interest on the 2024 Bonds due on such Interest Payment Date, the Trustee shall give notice to the 2024 Insurer and to its designated agent (if any) (the “2024 Insurer’s Fiscal Agent”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Interest Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the 2024 Bonds due on such Interest Payment Date, the Trustee shall make a claim under the 2024 Insurance Policy and give notice to the 2024 Insurer and the 2024 Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the 2024 Bonds and the amount required to pay principal of the 2024 Bonds, confirmed in writing to the 2024 Insurer and the 2024 Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the 2024 Insurance Policy.

The Trustee shall designate any portion of payment of principal of the 2024 Bonds paid by the 2024 Insurer, whether by virtue of maturity or other advancement of maturity, on its books as a reduction in the principal amount of 2024 Bonds registered to the then current 2024 Bondowner, whether DTC or its Nominee or otherwise, and the Successor Agency shall execute and the Trustee shall authenticate and deliver a replacement 2024 Bond to the 2024 Insurer, registered in the name of _____, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment, or the Successor Agency’s failure to so execute or Trustee’s failure to so authenticate and deliver any replacement 2024 Bond shall have no effect on the amount of principal or interest payable by the Successor Agency with respect to any 2024 Bond or the subrogation rights of the 2024 Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the 2024 Insurer into the Policy Payments Account (as such term is defined below) and the allocation of such funds to payment of interest on and principal of any 2024 Bond. The 2024 Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the 2024 Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners of 2024 Bonds referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the 2024 Insurance Policy in trust on behalf of Owners of 2024 Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners of 2024 Bonds in the same manner as principal and interest payments are to be made on the Bonds under this Indenture. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Successor Agency agrees to pay to the 2024 Insurer: (i) a sum equal to the total of all amounts paid by the 2024 Insurer under the 2024 Insurance Policy (the “2024 Insurer Advances”); and (ii) interest on such 2024 Insurer Advances from the date paid by the 2024 Insurer until payment thereof in full, payable to the 2024 Insurer at the Late Payment Rate per annum (collectively, the “2024 Insurer Reimbursement Amounts”). The Successor Agency hereby covenants and agrees that the 2024 Insurer Reimbursement Amounts are secured by a lien on and pledge of the Tax Revenues and payable from such Tax Revenues on a parity with debt service due on the 2024 Bonds.

The Successor Agency shall take all actions required by the Dissolution Act to ensure that all 2024 Insurer Reimbursement Amounts (including any amounts due the 2024 Insurer pursuant to this subsection (a) and due to the 2024 Insurer pursuant to the 2024 Reserve Policy) are paid to the 2024 Insurer when due, including the submission of Recognized Obligation Payment Schedules providing for Insurer Reimbursement Amounts and such other amounts.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the 2024 Insurer.

The 2024 Insurer shall, to the extent that it makes any payment of principal of or interest on the 2024 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the 2024 Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Successor Agency to the 2024 Insurer hereunder shall survive the discharge or termination thereof.

The Successor Agency shall pay or reimburse the 2024 Insurer any and all charges, fees, costs and expenses that the 2024 Insurer may reasonably pay or incur in connection with: (i) the administration, enforcement, defense or preservation of any rights or security herein; (ii) the pursuit of any remedies hereunder or otherwise afforded by law or equity; (iii) any amendment, waiver or other action with respect to, or related to, this Indenture whether or not executed or completed; or (iv) any litigation or other dispute in connection herewith or the transactions contemplated hereby, other than costs resulting from the failure of the 2024 Insurer to honor its obligations under the 2024 Insurance Policy. The 2024 Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect hereof. The obligation to pay amounts pursuant to this paragraph shall survive the payment in full of the 2024 Bonds and termination of this Indenture.

The 2024 Insurer shall be entitled to pay principal of or interest on the 2024 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the 2024 Insurance Policy), whether or not the 2024 Insurer has received a Notice of Nonpayment (as such term is defined in the 2024 Insurance Policy) or a claim upon the 2024 Insurance Policy.

(b) Any amendment, supplement, modification to, or waiver of, the Indenture, that requires the consent of Owners of 2024 Bonds or adversely affects the rights and interests of the 2024 Insurer shall be subject to the prior written consent of the 2024 Insurer.

(c) As long as the 2024 Insurance Policy is in full force and effect and the 2024 Insurer is not in default of its obligations thereunder, upon the occurrence and continuance of an Event of Default, the 2024 Insurer shall be deemed to be the sole Owner of the 2024 Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the 2024 Bonds are entitled to take pursuant hereto pertaining to: (a) defaults and remedies; and (b) the duties and obligations of the Trustee. In furtherance thereof and as a term of this Indenture and each 2024 Bond, each Owner of 2024 Bonds appoints the 2024 Insurer as its agent and attorney-in-fact with respect to the 2024 Bonds and agrees that the 2024 Insurer may at any time during the continuation of any Insolvency Proceeding direct all matters relating to such Insolvency Proceeding, including without limitation (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond

pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment, in each case to the full extent of Owners of 2024 Bonds rights with respect thereto. In addition, each 2024 Bondowner delegates and assigns to the 2024 Insurer, to the fullest extent permitted by law, the rights of each 2024 Bondowner in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. The Trustee acknowledges such appointment, delegation and assignment by each 2024 Bondowner for the 2024 Insurer's benefit, and agrees to cooperate with the 2024 Insurer in taking any action reasonably necessary or appropriate in connection with such appointment, delegation and assignment. Remedies granted to the Owners of 2024 Bonds shall expressly include mandamus.

(d) The rights granted to the 2024 Insurer under this Indenture to request, consent to or direct any action are rights granted to the 2024 Insurer in consideration of its issuance of the 2024 Insurance Policy. Any exercise by the 2024 Insurer of such rights is merely an exercise of the 2024 Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Owners of 2024 Bonds.

(e) The 2024 Insurer shall be provided with the following information by the Successor Agency or the Trustee, as the case may be:

(i) To the extent not otherwise filed with the Information Services, annual audited financial statements within two hundred seventy (270) days after the end of the Successor Agency's fiscal year (together with a certification of the Successor Agency that it is not aware of any default or Event of Default under the Indenture), and, upon request, the Successor Agency's annual budget within thirty (30) days after the approval thereof together with such other information, data or reports as the 2024 Insurer shall reasonably request from time to time.

(ii) Notice of any default actually known to the Trustee or Successor Agency within five Business Days after knowledge thereof.

(iii) Prior notice of the advance refunding or redemption of any of the 2024 Bonds, including the principal amount, maturities and CUSIP numbers thereof.

(iv) Notice of the resignation or removal of the Trustee and the appointment of, and acceptance of duties by, any successor thereto.

(v) Notice of the commencement of an Insolvency Proceeding.

(vi) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the 2024 Bonds.

(vii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to this Indenture.

(viii) All reports, notices and correspondence to be delivered to Owners of 2024 Bonds under the terms of the Indenture.

(ix) The 2024 Insurer shall have the right to receive such additional information as it may reasonably request.

(f) The Successor Agency will permit the 2024 Insurer to discuss the affairs, finances and accounts of the Successor Agency or any information the 2024 Insurer may reasonably request regarding the security for the 2024 Bonds with appropriate officers of the Successor Agency and will use commercially reasonable efforts to enable the 2024 Insurer to have access to the facilities, books and records of the Successor Agency on any Business Day upon reasonable prior notice.

(g) The Trustee shall notify the 2024 Insurer of any known failure of the Successor Agency to provide notices, certificates and other information required to be provided to the Trustee under the terms of this Indenture.

(h) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the 2024 Bonds or the rights of the Owners of such 2024 Bonds, the effect of any such amendment, consent, waiver, action or inaction shall be considered as if there were no 2024 Insurance Policy.

(i) No contract shall be entered into or any action taken by which the rights of the 2024 Insurer or security for or sources of payment of the 2024 Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the 2024 Insurer.

(j) So long as any 2024 Bonds remain outstanding or any amounts are owed to the 2024 Insurer, the Successor Agency shall not issue or incur indebtedness payable from or secured in whole or in part by the Tax Revenues that (i) bears interest at other than fixed rates or (ii) permits the holder to tender such indebtedness for purchase prior to the stated maturity thereof, in either case without the prior written consent of the 2024 Insurer.

(k) So long as any 2024 Bonds remain outstanding or any amounts are owed to the 2024 Insurer by the Successor Agency, the 2024 Insurer shall not enter into any interest rate exchange agreement, cap, collar, floor ceiling or other agreement or instrument involving reciprocal payment obligations between the Issuer and a counterparty based on interest rates applied to a notional amount of principal, without the prior written consent of the 2024 Insurer.

(l) The Successor Agency covenants and agrees to take such action (including, as applicable, filing of Uniform Commercial Code financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Tax Revenues under applicable law.

Section 4.06 Provisions Relating to 2024 Reserve Policy. Notwithstanding anything herein to the contrary, the following terms shall govern the 2024 Reserve Policy and the Reserve Account related to the 2024 Bonds so long as the 2024 Reserve Policy is deposited therein:

(a) The Successor Agency shall repay any draws under the 2024 Reserve Policy and pay all related reasonable expenses incurred by the 2024 Insurer and shall pay interest thereon from the date of payment by the 2024 Insurer at the Late Payment Rate.

(b) The Successor Agency shall diligently make repayments for Policy Costs from funds available to the Successor Agency to the extent described in this section and permitted by law. To the extent that such repayment and payment cannot be made in full within the current Recognized Obligation Payment Schedule Period, the Successor Agency shall include the payment and repayment on the next available Recognized Obligation Payment Schedule (or any amendments thereto) and on

successive Recognized Obligation Payment Schedules (or any amendments thereto) until such payment and repayment have been made in full. Repayment of Policy Costs shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

(c) Amounts in respect of Policy Costs paid to the 2024 Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the 2024 Insurer on account of principal due, the coverage under the 2024 Reserve Policy will be increased by a like amount, subject to the terms of the 2024 Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all Tax Revenues (subject only to the priority of payment provisions set forth hereunder).

(d) All cash and investments in the Reserve Account related to the 2024 Bonds shall be transferred to the Interest Account and/or Principal Account related to the 2024 Bonds for payment of principal of and interest on the 2024 Bonds before any drawing may be made on the 2024 Reserve Policy or any other Qualified Reserve Account Credit Instrument credited to the Reserve Account in lieu of cash. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Qualified Reserve Account Credit Instruments (including the 2024 Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to other Qualified Reserve Account Credit Instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(e) If the Successor Agency shall fail to pay any Policy Costs in accordance with the requirements of this Section, the 2024 Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided hereunder other than remedies which would adversely affect Owners of the 2024 Bonds. The Indenture shall not be discharged until all Policy Costs owing the 2024 Insurer shall have been paid in full and the Successor Agency's obligation to pay such amounts shall expressly survive payment in full of the 2024 Bonds.

(f) The Trustee shall ascertain the necessity for a claim upon the 2024 Reserve Policy in accordance with the provisions of this section and shall provide notice to the 2024 Insurer in accordance with the terms of the 2024 Reserve Policy at least five (5) Business Days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the Successor Agency to the Interest Account and/or Principal Account related to the 2024 Bonds more often than semiannually, the Trustee shall give notice to the 2024 Insurer of any failure of the Successor Agency to make timely payment in full of such deposits within two (2) Business Days following the date due.

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.01 Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and of this Indenture. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02 Limitation on Additional Indebtedness; Against Encumbrances. The Successor Agency hereby covenants that, so long as the Bonds are Outstanding, the Successor Agency shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Tax Revenues (i) on a basis senior to the Bonds or (ii) on a parity with the Bonds except for Parity Debt issued to refund any of the Bonds or other Parity Debt, and then only if the requirements of Section 3.04 are met. The Successor Agency will not otherwise encumber, pledge or place any charge or lien upon any of the Tax Revenues or other amounts pledged to the Bonds superior or equal to the pledge and lien herein created for the benefit of the Bonds.

Section 5.03 Extension of Payment. The Successor Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04 Payment of Claims. The Successor Agency shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Tax Revenues or other amounts pledged to the payment of the Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims.

Section 5.05 Books and Accounts; Financial Statements. The Successor Agency shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Successor Agency and the City, in which complete and correct entries shall be made of all transactions relating to the Redevelopment Project, the Tax Revenues and the Special Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of any Insurer and the Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

The Successor Agency will cause to be prepared, on or before each April 1 so long as the Bonds are Outstanding, complete audited financial statements with respect to such Fiscal Year showing the Tax Revenues, all disbursements of Tax Revenues and the financial condition of the Redevelopment Project, including the balances in all funds and accounts relating to the Redevelopment Project, as of the end of such Fiscal Year. The Successor Agency shall promptly furnish a copy of such financial statements to the Trustee, the 2024 Insurer and any other Insurer at no expense and to any Owner upon reasonable request and at the expense of such Owner. The Trustee shall have no obligation to review, verify or analyze any financial statements provided to it by the Successor Agency and shall hold such financial statement solely as a repository for the benefit of the Owners of the Bonds. The Trustee shall not be deemed to have notice of any information contained therein, or default or Event of Default which may be disclosed therein in any manner.

The Successor Agency agrees, consents and will cooperate in good faith to provide information reasonably requested by the 2024 Insurer and will further provide appropriately designated individuals and officers to discuss the affairs, finances and accounts of the Successor Agency or any other matter as the 2024 Insurer may reasonably request.

Section 5.06 Protection of Security and Rights of Owners. The Successor Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to Bonds, the Bonds shall be incontestable by the Successor Agency.

Section 5.07 Payments of Taxes and Other Charges. Except as otherwise provided herein, the Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Project Area, or upon the revenues therefrom when the same shall become due. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Project Area or any part thereof.

Section 5.08 Taxation of Leased Property. All amounts derived by the Successor Agency pursuant to Section 33673 of the Law with respect to the lease of property for redevelopment shall be treated as Tax Revenues for all purposes of this Indenture.

Section 5.09 Disposition of Property. The Successor Agency will not participate in the disposition of any land or real property in a Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by the Redevelopment Plan in effect on the date of issuance of the 2024 Bonds) so that such disposition shall, when taken together with other such dispositions, aggregate more than ten percent (10%) of the land area in the applicable Project Area unless such disposition is permitted as hereinafter provided in this Section 5.09. If the Successor Agency proposes to participate in such a disposition, it shall thereupon appoint an Independent Redevelopment Consultant to report on the effect of said proposed disposition. If the Report of the Independent Redevelopment Consultant concludes that the security of the Bonds, or the rights of the Successor Agency, the Bondowners and the Trustee hereunder will not be materially impaired by said proposed disposition, the Successor Agency may thereafter make such disposition. If said Report concludes that such security will be materially impaired by said proposed disposition, the Successor Agency shall disapprove said proposed disposition. This Section 5.09 shall not apply to

the disposition of properties to the City pursuant to the Successor Agency's Long Range Property Management Plan prepared pursuant to Health and Safety Code Section 34191.4.

Section 5.10 Maintenance of Tax Revenues. The Successor Agency shall comply with all requirements of the Law and the Dissolution Act to ensure the allocation and payment to it of the Tax Revenues as provided in the Dissolution Act.

Section 5.11 Tax Covenants. In connection with the 2024 Bonds, the Successor Agency covenants and agrees to contest by court action or otherwise any assertion by the United States of America or any departments or agency thereof that the interest received by the Bondowners is includable in gross income of the recipient under federal income tax laws on the date of issuance of the 2024 Bonds. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest with respect to the 2024 Bonds and Parity Debt issued on a tax-exempt basis will not be adversely affected for federal income tax purposes, the Successor Agency covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(a) Private Activity. The Successor Agency will take no action or refrain from taking any action or make any use of the proceeds of the 2024 Bonds or Parity Debt issued on a tax-exempt basis or of any other monies or property which would cause the 2024 Bonds or Parity Debt to be "private activity bonds" within the meaning of Section 141 of the Code;

(b) Arbitrage. The Successor Agency will make no use of the proceeds of the 2024 Bonds or Parity Debt issued on a tax-exempt basis or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the 2024 Bonds or Parity Debt issued on a tax-exempt basis to be "arbitrage bonds" within the meaning of Section 148 of the Code;

(c) Federal Guaranty. The Successor Agency will make no use of the proceeds of the 2024 Bonds or Parity Debt issued on a tax-exempt basis or take or omit to take any action that would cause the 2024 Bonds or the Parity Debt issued on a tax-exempt basis to be "federally guaranteed" within the meaning of Section 149(b) of the Code;

(d) Information Reporting. The Successor Agency will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code;

(e) Hedge Bonds. The Successor Agency will make no use of the proceeds of the 2024 Bonds or any Parity Debt issued on a tax-exempt basis or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause either any 2024 Bonds or the Parity Debt issued on a tax-exempt basis to be considered "hedge bonds" within the meaning of Section 149(g) of the Code unless the Successor Agency takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on the 2024 Bonds and any Parity Debt issued on a tax-exempt basis for federal income tax purposes; and

(f) Miscellaneous. The Successor Agency will take no action or refrain from taking any action inconsistent with its expectations stated in that certain Tax Certificate executed by

the Successor Agency in connection with each issuance of 2024 Bonds and Parity Debt issued on a tax-exempt basis and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Section 5.12 Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the Trustee at the request of any Participating Underwriter (as defined in the Continuing Disclosure Certificate) or the holders of at least 25% aggregate principal amount of Outstanding 2024 Bonds, shall, but only to the extent the Trustee has been indemnified to its satisfaction from and against any loss, liability, cost or expense, including, without limitation, fees and expenses of its attorneys and advisors and additional fees and expenses of the Trustee, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.13 Compliance with the Dissolution Act.

(a) The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include:

(i) scheduled debt service on the 2024 Bonds and any Parity Debt and any amount required under this Indenture to replenish the Reserve Account established hereunder (including amounts payable to any Insurer as issuer of a Qualified Reserve Account Credit Instrument) or the reserve account established under any Parity Debt Instrument, and

(ii) amounts due to any Insurer (including the 2024 Insurer) hereunder, under any Parity Debt Instrument or under an insurance or surety bond agreement,

in Recognized Obligation Payment Schedules for each ROPS Period so as to enable the County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest on, the Bonds coming due in the respective ROPS Period, to pay amounts owed to any Insurer, as well as the other amounts set forth above.

(b) In order to accomplish the foregoing, on or before each February 1 (or at such earlier time as may be required by the Dissolution Act), for so long as any Bonds are outstanding, the Successor Agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the State Department of Finance and to the County Auditor-Controller that shall include, from the first Tax Revenues distributed to the Successor Agency on each January 2 and June 1 Redevelopment Property Tax Trust Fund distribution date (subject to prior payments described in Section 4.01): (i) all debt service due on all Outstanding 2024 Bonds and Parity Debt coming due during such Bond Year (with at least one-half of such Bond Year's debt service to be distributed from the Redevelopment Property Tax Trust Fund on January 2 and the remainder of such Bond Year's debt

service to be distributed from the Redevelopment Property Tax Trust Fund on June 1), as well as all amounts due and owing to the 2024 Insurer hereunder or to any other Insurer, and (ii) any amount required to cure any deficiency in the Reserve Account pursuant to this Indenture or a reserve account established under any Parity Debt Instrument (including any amounts required due to a draw on any Qualified Reserve Account Credit Instrument (including the 2024 Reserve Policy) as well as all amounts due and owing to the 2024 Insurer hereunder or to any other Insurer). The Successor Agency shall have the right, in its sole and absolute discretion, to request up to 100% of the principal and interest coming due during the applicable Bond Year from the RPTTF moneys to be distributed to the Successor Agency on the January 2 of such Bond Year, and to request the remainder of such Bond Year's debt service to be distributed from the RPTTF on June 1 during such Bond Year.

(c) In the event the provisions set forth in the Dissolution Act as of the Closing Date of the 2024 Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the 2024 Bonds and other Parity Debt and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of (i) not less than one half of the debt service due during each Bond Year on all Outstanding Bonds prior to March 1 of such calendar year, and (ii) the remainder of debt service due during such Bond Year on all Outstanding Bonds prior to the next succeeding September 1.

(d) In addition, the Successor Agency covenants that it shall, on or before December 1 of each year, file a Notice of Insufficiency with the County Auditor-Controller if the amount of Tax Revenues available to the Successor Agency from the Redevelopment Property Tax Trust Fund for transfer to the Redevelopment Obligation Retirement Fund on the upcoming January 2 is insufficient to fully fund all required amounts payable from the Redevelopment Obligation Retirement Fund during the next succeeding Semiannual Period. The Successor Agency covenants that, on or before May 1 of each year, it shall file a Notice of Insufficiency with the County Auditor-Controller if the amount of Tax Revenues available to the Successor Agency from the Redevelopment Property Tax Trust Fund for transfer to the Redevelopment Obligation Retirement Fund on the upcoming July 1 is insufficient to fully fund all required amounts payable from the Redevelopment Obligation Retirement Fund during the next succeeding Semiannual Period.

(e) The Successor Agency shall provide all notices and comply with all procedures provided under Section 34183(b) of the Dissolution Act to the extent necessary to enable the County Auditor-Controller to deposit amounts otherwise due to taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law and Section 34183(a)(1) of the Dissolution Act, if and to the extent necessary to ensure sufficient Tax Revenues are available to pay scheduled debt service on the 2024 Bonds and Parity Debt and make all required payments to the 2024 Insurer and any other Insurer.

Section 5.14 Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

Section 5.15 Last and Final Recognized Obligation Payment Schedule. As long as the 2024 Bonds are Outstanding and the 2024 Insurer is not in default under the 2024 Reserve Policy or the 2024 Insurance Policy, the Successor Agency will not submit to the Oversight Board or the

California Department of Finance a request for the final amendment permitted for its Last and Final Recognized Obligation Payment Schedule pursuant to Section 34191.6 of the California Health and Safety Code without the prior written consent of the 2024 Insurer, unless all amounts that could become due and payable to the 2024 Insurer under this Indenture would be included as a line item on the last and final Recognized Obligation Payment Schedule following approval of the requested final amendment.

ARTICLE VI

THE TRUSTEE

Section 6.01 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default known to it (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time upon thirty days' prior written notice, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee shall cease to be eligible in accordance with subsection (f) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor Agency to the Trustee, with a copy to any Insurer, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Successor Agency and by giving the Owners and any Insurer notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing, with notice of such appointment to be furnished to any Insurer. Such removal shall be accomplished by the giving of at least thirty (30) days written notice of such removal by the Successor Agency to the Trustee whereupon the Successor Agency shall immediately appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Successor Agency for the appointment of a successor Trustee and after being paid its

fees and expenses then due and owing to it, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall cause the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall promptly give written notice thereof, by first-class mail to the any Insurer and the Owner of each such Bond, unless such Event of Default shall have been cured or waived before the giving of such notice; provided, however, that unless such Event of Default consists of the failure by the Successor Agency to make any payment when due, the Trustee shall, within thirty (30) days of the Trustee's knowledge thereof, give such notice to any Insurer, and the Trustee, with the consent of any Insurer may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bondowners not to give such notice.

(f) The Successor Agency agrees that, so long as any Bonds are Outstanding, the Trustee shall be: (i) a financial institution having a trust office in the State, having (or in the case of a corporation, national banking association or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$50,000,000, and subject to supervision or examination by federal or state authority; (ii) a state-chartered commercial bank that is a member of the Federal Reserve System having at least \$1,000,000,000 of assets; or (iii) an entity otherwise approved by all Insurers in writing. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02 Merger or Consolidation. Any bank, national banking association or trust company into which the Trustee may be merged or converted or with which may be consolidated or any bank, national banking association or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association or trust company

to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association or trust company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds or the tax status of interest thereon nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct as finally determined by a court of competent jurisdiction. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee as finally determined by a court of competent jurisdiction; and the Trustee shall not be liable for errors in judgment made in good faith unless determined to be negligent in ascertaining pertinent facts. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any default or Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Successor Agency at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no default or Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Successor Agency's certificates to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Tax Revenues into the Special Fund and the investment and application of moneys on

deposit in the Special Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds by the Successor Agency or with respect to the observance or performance by the Successor Agency of the other conditions, covenants and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held or maintained by the Successor Agency pursuant to this Indenture or otherwise.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(i) Before taking any action under Article VIII or this Article, or in connection with any Insolvency Proceeding (or related adversary proceeding or Claim) at the request of the Owners or any Insurer, the Trustee may require that a satisfactory indemnification be furnished by the Owners or any Insurer for the reimbursement of all expenses to which it may be put (including without limitation associated attorneys' fees and expenses) and to protect it against all liability, except liability which is finally adjudicated by a court of competent jurisdiction to have resulted from its negligence or willful misconduct in connection with any action so taken.

(j) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Successor Agency shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Successor Agency whenever a person is to be added or deleted from the listing. If the Successor Agency elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Successor Agency understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Successor Agency shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Successor Agency and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable

user and authorization codes, passwords and/or authentication keys upon receipt by the Successor Agency. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Successor Agency agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Successor Agency; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

(m) The Trustee shall not be liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 6.04 Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal questions, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as

it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.05 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the Successor Agency and any Insurer and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions. Delivery of reports or other documents to the Trustee shall not be deemed to constitute or impose actual or constructive notice or knowledge on the part of the Trustee, and such reports and documents may simply be held to be made available for inspection by Owners of Bonds.

Section 6.06 Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Successor Agency and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including outside counsel and the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including outside counsel and the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), and all indemnities provided to the Trustee herein. In addition, and without prejudice to any other provision, fees, costs and expenses paid or incurred by Trustee in providing services after an Event of Default, together with its compensation for such services, are intended to constitute expenses of administration under any applicable federal, state or other applicable bankruptcy, insolvency or other similar law.

The Successor Agency further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense, including legal fees and expenses, and liabilities which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees as finally determined by a court of competent jurisdiction. The obligations of the Successor Agency and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.07 Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the Successor Agency in the Written Request of the Successor Agency filed with the Trustee at least two (2) Business Days in advance of the making of such investments, except that moneys in the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (g) of the definition thereof. In the absence of any such Written Request of the Successor Agency, the Trustee shall hold any such moneys uninvested. The Trustee shall be entitled to rely conclusively upon the written instructions of the Successor Agency

directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State and is a Permitted Investment in which the Successor Authority is authorized to invest, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the above list which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the Successor Agency's expense. Moneys in the Special Fund may be invested by the Successor Agency in any obligations in which the Successor Agency is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be deposited in the Interest Account; *provided, however*, that all interest or gain from the investment of amounts in the Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the Reserve Account to equal the Reserve Requirement. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Successor Agency or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency monthly cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the Successor Agency for earnings derived from funds that have been invested.

If applicable, the Successor Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of any tax-exempt Bonds (within the meaning of Section 148 of the Code), shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. The Trustee shall have no duty in connection with the determination of Fair Market Value other than to follow its normal practice in determining the value of Permitted Investments, which may include utilizing generally recognized pricing services (including brokers and dealers in securities) that may be available to it including those available through its regular accounting system and rely conclusively and without liability thereon.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the Successor Agency at their present value (within the meaning of Section 148 of the Code). Investments on deposit in the Reserve Account shall be valued semiannually two (2) Business Days preceding each March 1 and September 1 at their Fair Market Value.

Section 6.08 Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with

corporate trust industry standards, in which accurate entries shall be made of all transactions relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Successor Agency, on at least a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09 Other Transactions with Successor Agency. The Trustee, either as principal or agent, may engage in or be interested in any financial or other transaction with the Successor Agency.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01 Amendment With And Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners or any Insurer (except as described in subsection (b) below and subject to Section 4.05(b)), to the extent permitted by law, but only for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed, including any covenant or agreement that provides for additional security for the Bonds, or to limit or surrender any rights or powers herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or (with the consent of the 2024 Insurer) in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Successor Agency, materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Debt in accordance with Section 3.04; or

(d) if applicable, to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exemption from federal income taxation of interest on any of the Bonds, in the opinion of Bond Counsel; or

(e) to comply with amendments or supplements to the Dissolution Act; or

(f) to comply with the requirements of a provider of a Qualified Reserve Account Credit Instrument.

In addition, except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of each Insurer (but

only with respect to any Bonds insured by such Insurer) and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee; provided, that for purposes of this sentence with respect to the Owners of 2024 Bonds, the written consent of the 2024 Insurer to any such amendment shall be deemed to satisfy the requirement to obtain the written consent of the Owners of such 2024 Bonds. Notwithstanding the foregoing, no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of both the Insurer of such Bond (if any) and the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification without the express written consent of both the Insurer of such Bond (if any) and the Owner of such Bond. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture adversely affect the security for the Bonds or modify any of the rights or obligations of any Insurer without its prior written consent.

Section 7.02 Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03 Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may, with the prior written consent of any Insurer, determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared at the expense of the Successor Agency and executed in exchange for any or all of the Bonds, and in that case, upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04 Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond and, provided further that written consent to such amendment shall first be obtained from any Insurer.

Section 7.05 Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and, if expressly required by the terms of such Supplemental Indenture, does not adversely affect the exclusion of interest on any tax-exempt Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Bonds from personal income taxation by the State.

Section 7.06 Copy of Supplemental Indenture to S&P and Moody's. The Successor Agency shall provide to S&P and Moody's, for so long as S&P and Moody's, as the case may be, maintain a rating on any of the Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01 Events of Default. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the Successor Agency in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the Successor Agency of written notice from the Trustee or any Insurer or written notice from any Owner (with a copy of said notice delivered to the Trustee and any Insurer) of the occurrence of such default, provided that if in the reasonable opinion of the Successor Agency (as stated in a written certificate to such effect provided by the Successor Agency to the Trustee, on which it may conclusively rely) the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the Successor Agency (with the prior written consent of any Insurer) within such thirty (30) day period and the Successor Agency thereafter diligently and in good faith cures such failure in a reasonable period of time (not to exceed sixty (60) days without the prior written consent of the 2024 Insurer so long as the 2024 Insurance Policy is in full force and effect and the 2024 Insurer has not defaulted on its obligations thereunder);

(c) If the Successor Agency files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the Successor Agency seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Successor Agency or of the whole or any substantial part of its property; or

(d) An event of default shall have occurred under any Parity Debt Instrument, and such event of default is continuing following the expiration of any applicable notice and cure period.

In determining whether an Event of Default has occurred under (a) above, no effect shall be given to payments made under any municipal bond insurance policy, financial guaranty insurance policy or Qualified Reserve Account Credit Instrument.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, subject to the provisions of Section 6.03(i), exercise any other remedies available to the Trustee and the Bondowners in law or at equity, including an action in mandamus. Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to any Insurer and to the Successor Agency by telephone promptly confirmed in writing.

Promptly upon receiving written notice or actual knowledge of the occurrence of an Event of Default (which has not been cured or waived), the Trustee shall give notice of such Event of Default to each Insurer and to the Successor Agency as provided in and subject to the terms of Section 6.01(e).

Section 8.02 Application of Funds. Notwithstanding any terms appearing herein or elsewhere to the contrary, all amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture (including the Trustee's share of any Pledged Tax Revenues) and all sums in the funds and accounts established and held by the Trustee hereunder upon and following an Event of Default as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and advisors and any outstanding fees and expenses of the Trustee; and

Second, to the payment of the amounts then owing and unpaid upon the Bonds and as otherwise provided in this Indenture.

Section 8.03 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04 Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Successor Agency, the Trustee and any Insurer written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such

request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05 Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Successor Agency, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

Section 8.07 Determination of Percentage of Bondowners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Bonds (including by the Owners of a majority in aggregate principal amount of the Outstanding Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Bonds determined as of the next succeeding Interest Payment Date.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Special Obligations. The Bonds are special obligations of the Successor Agency secured by a pledge and lien as described in Section 4.01 hereof. The Bonds are not debts, liabilities or obligations of the City previously defined, the State of California, or any of its political subdivisions, and neither the City, said State, nor any of its political subdivisions is liable thereon, nor in any event shall the Bonds be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness in contravention of any constitutional or statutory debt limitation or restriction.

Section 9.02 Benefits Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Successor Agency, each Insurer, the Trustee and the Owners, any right, remedy or claim under or by reason of this Indenture. Any covenants, stipulations, promises or agreements in this Indenture contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Trustee, such Insurers and the Owners. To the extent that this Indenture confers upon or gives any Insurer any right, remedy or claim under or by reason of this Indenture, each Insurer is hereby explicitly recognized as being third-party beneficiaries hereunder and may enforce any such right remedy or claim conferred, given or granted hereunder.

Section 9.03 Successor is Deemed Included in All References to Predecessor. Whenever in this Indenture or any Supplemental Indenture either the Successor Agency or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the Successor Agency or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.04 Discharge of Indenture. (a) If the Successor Agency shall pay and discharge the entire indebtedness on all Bonds or any portion thereof in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest and premium (if any) on all or the applicable portion of Outstanding Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing with the Trustee in trust or an escrow agent, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established pursuant to this Indenture, is fully sufficient to pay all or the applicable portion of Outstanding Bonds, including all principal, interest and redemption premiums, if any, or;

(iii) by irrevocably depositing with the Trustee in trust or an escrow agent, Defeasance Obligations in such amount as an Independent Accountant shall determine (as evidenced by a verification report prepared and delivered by such Independent Accountant certifying such determination) will, together with the interest to accrue thereon and available moneys then on deposit in the funds and accounts established pursuant to this Indenture or on deposit with such escrow agent, be fully sufficient to pay and discharge the indebtedness on all Bonds or the applicable portion thereof (including all principal, interest and redemption premiums) at or before maturity;

then, at the election of the Successor Agency, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Tax Revenues and other amounts, funds and accounts described in Section 4.01 hereof and all other obligations of the Trustee and the Successor Agency under this Indenture shall cease and terminate with respect to all Outstanding Bonds or, if applicable, with respect to that portion of the Bonds which has been paid and discharged, except only (A) the covenants of the Successor Agency hereunder with respect to the Code, (B) the obligation of the Trustee to transfer and exchange Bonds hereunder, (C) the obligations of the Successor Agency under Section 6.06 hereof, and (D) the obligation of the Successor Agency to pay or cause to be paid to the Owners (or any Insurer), from the amounts so deposited with the Trustee, all sums due thereon and to pay the Trustee and any Insurer all fees, expenses and costs of the Trustee and any Insurer, which obligations to the 2024 Insurer shall expressly survive payment in full of the 2024 Bonds and termination of this Indenture. In the event the Successor Agency shall, pursuant to the foregoing provision, pay and discharge any portion or all of the Bonds then Outstanding, the Trustee shall be authorized to take such actions and execute and deliver to the Successor Agency all such instruments as may be necessary or desirable to evidence such discharge, including, without limitation, selection by lot of Bonds of any maturity of the Bonds that the Successor Agency has determined to pay and discharge in part.

In the case of a defeasance or payment of all of the Bonds Outstanding, any funds thereafter held by the Trustee which are not required for said purpose or for payment of amounts due the Trustee pursuant to Section 6.06 shall be paid over to the Successor Agency.

Notwithstanding the foregoing, only (1) cash, (2) non-callable direct obligations of the United States of America (“Treasures”), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasures held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasures are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the 2024 Insurer, pre-refunded municipal obligations rated “AAA” and “Aaa” by S&P and Moody's, respectively, or (5) subject to the prior written consent of the 2024 Insurer, securities eligible for “AAA” defeasance under then existing criteria of S&P or any combination thereof, shall be used to effect defeasance of the 2024 Bonds unless the 2024 Insurer otherwise approves.

Furthermore, to accomplish defeasance of 2024 Bonds, the Successor Agency shall cause to be delivered to the 2024 Insurer (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the 2024 Insurer (“Accountant”) verifying the sufficiency of the escrow established to pay the 2024 Bonds in full on the maturity or redemption date (“Verification”), (ii) an escrow deposit agreement or other written instructions to the Trustee (which shall be acceptable in form and substance to the 2024 Insurer and the Trustee), (iii) an opinion of nationally recognized bond counsel to the effect that the 2024 Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the 2024 Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Successor Agency, the Trustee and the 2024 Insurer. The 2024 Insurer shall be provided with final drafts of the above-referenced documentation not less than five Business Days prior to the funding of the escrow.

(b) Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due of the Bonds is paid by any Insurer, such Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Successor Agency, and the

assignment and pledge of the Tax Revenues and other assets hereunder and all covenants, agreements and other obligations of the Successor Agency to the Bondowners so paid shall continue to exist and shall run to the benefit of such Insurer, and such Insurer shall be subrogated to the rights of such Bondowners, as applicable.

Section 9.05 Execution of Documents and Proof of Ownership by Owners. Any request, consent, declaration or other instrument which this Indenture may require or permit to be executed by any Owner may be in one or more instruments of similar tenor, and shall be executed by such Owner in person or by such Owner's attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

The ownership of Bonds and the amount, maturity, number and date of ownership thereof shall be proved by the Registration Books.

Any demand, request, direction, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Successor Agency or the Trustee and in accordance therewith, provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned by or for the account of the Successor Agency unless the Successor Agency is the registered Owner or the Trustee has received written notice that any other registered Owner is such an affiliate.

Section 9.06 Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Successor Agency or the City (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. Upon request of the Trustee, the Successor Agency and the City shall specify in a certificate to the Trustee those Bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such certificate.

Section 9.07 Waiver of Personal Liability. No member, officer, agent or employee of the Successor Agency shall be individually or personally liable for the payment of the principal or interest or any premium on the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.08 Destruction of Cancelled Bonds. Whenever in this Indenture provision is made for the surrender to the Trustee of any Bonds which have been paid or cancelled pursuant to the provisions of this Indenture, the Trustee shall destroy such bonds and upon request of the Successor Agency provide the Successor Agency a certificate of destruction. The Successor Agency shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

The Successor Agency hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid or unenforceable. The Bonds have been issued by the Successor Agency for the purpose of providing funds to refinance certain bonds issued by the Successor Agency with respect to the Project Area and to pay certain expenses of the Successor Agency in issuing the Bonds.

The Bonds are special obligations of the Successor Agency and this Bond and the interest hereon and all other Bonds and the interest thereon (to the extent set forth in the Indenture), are secured by a statutory pledge of, and lien on, Tax Revenues deposited in the Redevelopment Property Tax Trust Fund held by the Auditor-Controller of Tulare County, a pledge of, security interest in and lien on the Tax Revenues on deposit in the Redevelopment Obligation Retirement Fund, including the Special Fund therein, the Debt Service Fund, and any fund or account created under the Indenture, and are payable from Tax Revenues remaining after payment of certain amounts to the County Auditor-Controller for its administrative expenses, to certain taxing entities pursuant to certain Pass-Through Agreements and to certain taxing entities as statutory pass-through payments, as provided in the Dissolution Act and the Indenture.

There has been created, and will be maintained by, the Successor Agency the Special Fund into which Tax Revenues deposited by the Auditor-Controller of Tulare County in the Redevelopment Obligation Retirement Fund shall be transferred and from which the Successor Agency shall transfer amounts to the Trustee for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds and any Parity Debt (as defined in the Indenture).

The 2024 Bonds are subject to optional and mandatory sinking fund redemption prior to maturity as provided in the Indenture.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, tenor and maturity.

This Bond is transferable upon the Registration Books, by the person in whose name it was registered, in person or by a duly authorized attorney of such person upon surrender to the Trustee at the Principal Corporate Trust Office for cancellation, but only in the manner and subject to the limitations provided in the Indenture. Upon registration of such transfer a new fully registered Bond or Bonds, of any authorized denomination or denominations, for the same aggregate principal amount and of the same series, tenor and maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, or (b) any Bond selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the Registered Owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the respective Insurer and the Registered Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall a Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture modify any of the rights or obligations of any Insurer without its prior written consent.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Successor Agency or the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond is not a debt, liability or obligation of the City of Dinuba, the State of California, or any of its political subdivisions, and neither said City, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness in contravention of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness

of the Successor Agency, does not exceed any limit prescribed by the Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Dinuba Redevelopment Agency has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Executive Director and attested by the facsimile signature of its Secretary, all as of the Dated Date set forth above.

2014 ESCROW AGREEMENT

SUCCESSOR AGENCY TO THE DINUBA REDEVELOPMENT AGENCY MERGED CITY OF DINUBA REDEVELOPMENT PROJECT AND DINUBA REDEVELOPMENT PROJECT NO. 2, AS AMENDED TAX ALLOCATION REFUNDING BONDS ISSUE OF 2014

This 2014 ESCROW AGREEMENT (the "Agreement"), dated as of _____ 1, 2024, is by and between the Successor Agency to the Dinuba Redevelopment Agency (the "Agency"), as successor to the Dinuba Redevelopment Agency (the "Prior Agency"), and U.S. Bank Trust Company, National Association, a national banking association having a corporate trust office in Los Angeles, California, and being qualified to accept and administer the escrow hereby created (the "Escrow Bank").

WITNESSETH:

WHEREAS, pursuant to an Indenture of Trust dated as of April 1, 2014 (the "Prior Indenture"), by and between the Agency and U.S. Bank Trust Company, National Association, as trustee (the "Prior Trustee"), the Agency issued its Merged City of Dinuba Redevelopment Project and Dinuba Redevelopment Project No. 2, As Amended, Tax Allocation Refunding Bonds, Issue of 2014 (the "Prior Bonds"); and

WHEREAS, pursuant to an Indenture of Trust dated as of _____ 1, 2024 (the "Indenture"), by and between the Agency and U.S. Bank Trust Company, National Association, as trustee, the Agency will issue its Tax Allocation Refunding Bonds, Series 2024 (the "Refunding Bonds"), for the purpose of providing moneys which, together with certain other amounts held under the Prior Indenture, will be sufficient to redeem the outstanding Prior Bonds set forth on Schedule A attached hereto (the "Refunded Bonds") on September 1, 2024 at a redemption price equal to the principal amount thereof plus accrued interest thereon to the redemption date, without premium (the "Redemption Price"); and

WHEREAS, a portion of the proceeds of the Refunding Bonds shall be set aside in order to provide for the payment of the Refunded Bonds and that such proceeds shall be deposited in a special escrow fund to be created hereunder and maintained by the Escrow Bank (the "Escrow Fund"); and

WHEREAS, the Agency has taken action to cause to be delivered to the Escrow Bank, for deposit in the Escrow Fund, proceeds of the Refunding Bonds for the purchase of certain securities and investments consisting of direct noncallable obligations of the United States of America as listed on Schedule B attached hereto and made a part hereof (the "Investment Securities"), in an amount which, together with the cash deposit described herein and the income to accrue on such Investment Securities, is intended by the Agency to be sufficient, upon the maturity of such Investment Securities, to pay the interest on the Refunded Bonds through and including September 1, 2024, and to redeem the Refunded Bonds on September 1, 2024 at the Redemption Price;

NOW, THEREFORE, the Agency and the Escrow Bank hereby agree as follows:

Section 1. Establishment, Funding and Maintenance of Escrow Fund.

(a) The Escrow Bank agrees to establish and maintain the Escrow Fund until final payment of the Refunded Bonds has been paid in full and to hold the securities, investments and moneys therein at all times as a special and separate escrow fund (wholly segregated from all other securities, investments or moneys on deposit with the Escrow Bank). The Agency shall deposit with the Escrow Bank \$_____ of proceeds of the Bonds along with \$_____ from funds held under the Prior Indenture. All securities, investments and moneys in the Escrow Fund are hereby irrevocably pledged, subject to the provisions of Section 2 hereof, to secure the payment of the Refunded Bonds. The Escrow Bank shall purchase Investment Securities as described in Schedule B at a cost of \$_____ and shall hold \$_____ uninvested in cash.

(b) The Escrow Bank hereby acknowledges receipt of the verification report of _____, certified public accountants, dated _____, 2024 relating to the Investment Securities (the "Verification Report") with respect to the Agency's defeasance of the Refunded Bonds in the manner and to the extent provided by law and in Section 9.3 of the Prior Indenture.

Section 2. Investment of the Escrow Fund.

(a) The Agency and the Escrow Bank each shall take all remaining action, if any, necessary to have the Investment Securities issued and registered in the name of the Escrow Bank for the account of the Escrow Fund. Except as otherwise provided in this Section, the Escrow Bank shall not reinvest any cash portion of the Escrow Fund and shall hold such cash portion uninvested.

(b) Upon the written direction of the Agency, but subject to the conditions and limitations herein set forth, the Escrow Bank shall sell, transfer, request the redemption or otherwise dispose of some or all of the Investment Securities in the Escrow Fund and purchase with the proceeds derived from such sale, transfer, redemption or other disposition noncallable, non prepayable obligations constituting direct obligations issued by the United States Treasury or obligations which are unconditionally guaranteed as to full and timely payment by the United States of America (the "Substitute Investment Securities"). Such sale, transfer, redemption or other disposition of Investment Securities and purchase of Substitute Investment Securities shall be effected by the Escrow Bank upon the written direction of the Agency but only by a simultaneous transaction and only if (i) a nationally recognized firm of independent certified public accountants shall certify that (a) the Substitute Investment Securities, together with the Investment Securities which will continue to be held in the Escrow Fund, will mature in such principal amounts and earn interest in such amounts and, in each case, at such times so that sufficient moneys will be available from maturing principal and interest on such Investment Securities and Substitute Investment Securities held in the Escrow Fund, together with any uninvested moneys therein, to make all payments required by Section 3 hereof which have not previously been made, and (b) the amounts and dates of the anticipated payments by the Escrow Bank of the principal and interest on the Refunded Bonds will not be diminished or postponed thereby, and (ii) the Escrow Bank shall receive an unqualified opinion of nationally recognized municipal bond attorneys to the effect that the proposed sale, transfer, redemption or other disposition and substitution of Investment Securities will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Refunding Bonds and the Refunded Bonds.

(c) Upon the written direction of the Agency, but subject to the conditions and limitations herein set forth, the Escrow Bank will apply any moneys received from the maturing

principal of or interest or other investment income on any Investment Securities and Substitute Investment Securities held in the Escrow Fund, or the proceeds from any sale, transfer, redemption or other disposition of Investment Securities pursuant to Section 2(b) not required for the purposes of said Section, as follows: to the extent such moneys will not be required at any time for the purpose of making a payment required by Section 3 hereof, as certified by a nationally recognized firm of independent certified public accountants, such moneys shall be transferred to the Agency upon the written direction of the Agency as received by the Escrow Bank, free and clear of any trust, lien, pledge or assignment securing the Refunded Bonds or otherwise existing hereunder or under the Prior Indenture.

Section 3. Payment of the Refunded Bonds. The Agency hereby requests and irrevocably instructs the Escrow Bank, and the Escrow Bank hereby agrees, to collect and deposit in the Escrow Fund the principal of and interest on the Investment Securities and Substitute Investment Securities held for the account of the Escrow Fund promptly as such principal and interest become due, and, subject to the provisions of Section 2 hereof, to pay such principal and interest, together with any other moneys and the principal of and interest on any other securities deposited in the Escrow Fund, to the Prior Trustee for the payment of the Refunded Bonds at the places and in the manner stipulated in the Refunded Bonds and in the Prior Indenture. The Agency hereby irrevocably instructs the Prior Trustee to provide the Notice of Redemption required pursuant to Section 2.3(g) of the Prior Indenture. The Agency hereby further irrevocably instructs the Escrow Bank to provide the Notice of Defeasance in substantially the form set forth in Schedule D hereto. In accordance with Sections 2.3 and 9.3 of the Prior Indenture, the Escrow Bank is irrevocably instructed to make all payments of interest due on the Refunded Bonds on and prior to _____, 2024 and to redeem the Refunded Bonds on _____, 2024 at the Redemption Price. Upon payment in full of the Refunded Bonds, the Escrow Bank shall transfer any moneys or securities remaining in the Escrow Fund to the Agency and this Agreement shall terminate. The Escrow Fund cash flow is set forth in Schedule C attached hereto.

Section 4. Possible Deficiencies; Amounts in Excess of Required Cash Balance.

(a) If at any time the Escrow Bank has actual knowledge that the moneys in the Escrow Fund, including the anticipated proceeds of the Investment Securities and any Substitute Investment Securities, will not be sufficient to make all payments required by Section 3 hereof, the Escrow Bank shall notify the Agency in writing as soon as is reasonably practicable, of such fact, the amount of such deficiency and the reason therefor solely to the extent actually known to it; provided, however, the Agency shall have no liability for any deficiency and shall not be required to provide funds to eliminate any such deficiency.

(b) The Escrow Bank shall in no manner be responsible for any deficiency in the Escrow Fund.

Section 5. Fees and Costs.

(a) The Agency shall pay to the Escrow Bank from time to time reasonable compensation for all services rendered under this Agreement and shall reimburse the Escrow Bank for all out of pocket expenses (including reasonable legal fees and expenses) incurred hereunder.

(b) The fees of and the costs incurred by the Escrow Bank shall in no event be deducted or payable from, or constitute a lien against, the Escrow Fund.

Section 6. Merger or Consolidation. Any company into which the Escrow Bank may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Bank may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under this Agreement, shall be the successor to such Escrow Bank without the execution or filing of any paper or any further act, notwithstanding anything herein to the contrary.

Section 7. Indemnity. To the maximum extent permitted by law, the Agency hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated) to indemnify, protect, save and keep harmless the Escrow Bank and its respective successors, assigns, directors, officers, agents, employees and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, the Escrow Bank at any time (whether or not also indemnified against the same by the Agency or any other person under any other agreement or instrument, but without double indemnity) in any way relating to or arising out of the execution, delivery and performance of this Agreement, the establishment hereunder of the Escrow Fund, the acceptance of the funds and securities deposited therein, the purchase of the Investment Securities and any Substitute Investment Securities, the retention of the Investment Securities and any Substitute Investment Securities or the proceeds thereof and any payment, transfer or other application of moneys or securities by the Escrow Bank in accordance with the provisions of this Agreement; provided, however, that the Agency shall not be required to indemnify the Escrow Bank against the Escrow Bank's own negligence or willful misconduct or the negligent or willful misconduct of the Escrow Bank's respective successors, assigns, agents and employees or the breach by the Escrow Bank of the terms of this Agreement. In no event shall the Agency or the Escrow Bank be liable to any person by reason of the transactions contemplated hereby other than to each other as set forth in this section. The indemnities contained in this section shall survive the termination of this Agreement and the resignation or removal of the Escrow Bank.

Section 8. Responsibilities of the Escrow Bank. The Escrow Bank and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Agreement, the establishment of the Escrow Fund, the acceptance of the moneys or securities deposited therein, the purchase of the Investment Securities and any Substitute Investment Securities, the retention of the Investment Securities and any Substitute Investment Securities or the proceeds thereof, the sufficiency of the Investment Securities and any Substitute Investment Securities to accomplish the defeasance of the Refunded Bonds or any payment, transfer or other application of moneys or obligations by the Escrow Bank in accordance with the provisions of this Agreement or by reason of any non-negligent act, non-negligent omission or non-negligent error of the Escrow Bank made in good faith in the conduct of its duties. The recitals of fact contained in the "Whereas" clauses herein shall be taken as the statements of the Agency and the Escrow Bank assumes no responsibility for the correctness thereof. The Escrow Bank makes no representation as to the sufficiency of the Investment Securities and any Substitute Investment Securities to accomplish the defeasance of the Refunded Bonds or to the validity of this Agreement as to the Agency and, except as otherwise provided herein, the Escrow Bank shall incur no liability with respect thereto. The Escrow Bank shall not be liable in connection with the performance of its duties under this Agreement except for its own negligence, willful misconduct or default, and the duties and obligations of the Escrow Bank shall be determined by the express provisions of this Agreement and no implied covenants or

obligations shall be read against the Escrow Bank hereunder. The Escrow Bank may consult with counsel, who may or may not be counsel to the Agency, and in reliance upon the written opinion of such counsel shall have full and complete authorization and protection with respect to any action taken, suffered or omitted by it in good faith in accordance therewith. No provisions of this Agreement shall require the Escrow Bank to expend or risk its own funds or otherwise incur any financial liability by the performance or exercise of its rights or powers. Whenever the Escrow Bank shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Agreement, such matter may be deemed to be conclusively established by a certificate signed by an authorized officer of the Agency.

The Escrow Bank may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Escrow Bank may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Escrow Bank be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Bank has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Bank shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Escrow Bank and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

The Escrow Bank agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Escrow Bank shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Agency elects to give the Escrow Bank e-mail or facsimile instructions (or instructions by a similar electronic method) and the Escrow Bank in its discretion elects to act upon such instructions, the Escrow Bank's understanding of such instructions shall be deemed controlling. The Escrow Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Escrow Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Agency agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Escrow Bank, including without limitation the risk of the Escrow Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties.

The Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Agency the right to receive brokerage confirmations of security transactions as they occur, the Agency specifically waives receipt of such confirmations to the extent permitted by law. The Escrow Bank will furnish the Agency periodic cash transaction statements which include detail for all investment transactions made by the Escrow Bank hereunder.

If the Escrow Bank learns that the Department of the Treasury or the Bureau of Public Debt will not, for any reason, accept a subscription of Investment Securities that is to be submitted pursuant to this Agreement, the Escrow Bank shall promptly request alternative written investment instructions from the Agency with respect to escrowed funds which were to be invested in Investment Securities. The Escrow Bank shall follow such instructions and, upon the maturity of any such alternative investment, the Escrow Bank shall hold funds uninvested and without liability for interest until receipt of further written instructions from the Agency. In the absence of investment instructions from the Agency, the Escrow Bank shall not be responsible for the investment of such funds or interest thereon. The Escrow Bank may conclusively rely upon the Agency's selection of an alternative investment as a determination of the alternative investment's legality and suitability and shall not be liable for any losses related to the alternative investments or for compliance with any yield restriction applicable thereto.

The Escrow Bank shall have no liability or responsibility for any loss resulting from any investment made in accordance with the provisions of this Agreement.

The Escrow Bank shall not be liable for the accuracy of any calculations provided as to the sufficiency of the moneys or Federal securities deposited with it to pay the principal, interest, or premiums, if any, on the Bonds.

Section 9. Amendments. This Agreement is made for the benefit of the Agency and the owners from time to time of the Refunded Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such owners, the Escrow Bank and the Agency; provided, however, that if the Agency and the Escrow Bank receive an opinion of nationally recognized bond attorneys to the effect that the exclusion from gross income for federal income tax purposes of the interest on the Refunded Bonds and the Bonds will not be adversely affected thereby, they may, without the consent of, or notice to, such owners, amend this Agreement or enter into such agreements supplemental to this Agreement as shall not materially adversely affect the rights of such owners and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes: (i) to cure any ambiguity or formal defect or omission in this Agreement; (ii) to grant to, or confer upon, the Escrow Bank for the benefit of the owners of the Refunded Bonds any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such owners or the Escrow Bank; (iii) to include under this Agreement additional funds, securities or properties (but only if the sufficiency of the Escrow Fund for the purpose herein set forth is verified by a nationally recognized firm of independent certified public accountants) and shall hold funds received by it uninvested. The Escrow Bank shall be entitled to rely conclusively upon an unqualified opinion of nationally recognized municipal bond attorneys with respect to compliance with this Section 9, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the owners of the Refunded Bonds or that any instrument executed hereunder complies with the conditions and provisions of this Section 9.

Section 10. Resignation or Removal of Escrow Bank.

(a) The Escrow Bank may resign by giving not less than 30 days' notice in writing to the Agency, which notice shall be mailed to the owners of the Refunded Bonds remaining unpaid. The Escrow Bank may be removed (1) by (i) filing with the Agency of an instrument or instruments executed by the owners of at least 51% in aggregate principal amount of the Refunded Bonds then remaining unpaid, and (ii) the delivery of a copy of the instruments filed with the Agency to the Escrow Bank, or (2) by a court of competent jurisdiction for failure to act in accordance with

the provisions of this Agreement upon application by the Agency or the owners of 5% in aggregate principal amount of the Refunded Bonds then remaining unpaid.

(b) If the position of Escrow Bank becomes vacant due to resignation or removal of the Escrow Bank or any other reason, a successor Escrow Bank may be appointed by the Agency. Notice of such appointment shall be mailed by first class mail, postage prepaid, to the registered owners of the Refunded Bonds. Within one year after a vacancy, the owners of a majority in principal amount of the Refunded Bonds then remaining unpaid may, by an instrument or instruments filed with the Agency, appoint a successor Escrow Bank who shall supersede any Escrow Bank theretofore appointed by the Agency. If no successor Escrow Bank is appointed by the Agency or the owners of such Refunded Bonds then remaining unpaid, within 45 days after any such resignation or removal, the Escrow Bank may petition the appropriate court having jurisdiction for the appointment of a successor Escrow Bank. The responsibilities of the Escrow Bank under this Escrow Agreement will not be discharged until a new Escrow Bank is appointed and until the cash and investments held under this Escrow Agreement are transferred to the new Escrow Bank.

Section 11. Severability. If any section, paragraph, sentence, clause or provision of this Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, sentence, clause or provision shall not affect any of the remaining provisions of this Agreement.

Section 12. Execution of Counterparts. This Agreement may be executed in any number of counterparts, each of which shall for all purposes be deemed to be an original and all of which shall together constitute but one and the same instrument.

Section 13. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Section 14. Definitions. Any capitalized term used but not otherwise defined in this Agreement shall have the meaning assigned to such term in the Prior Indenture.

Section 15. Assignment. This Agreement shall not be assigned by the Escrow Bank or any successor thereto without the prior written consent of the Agency provided, however, that an assignment made pursuant to Section 6 hereof shall not require prior written consent.

Section 16. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Agreement, shall be a legal holiday or a day on which banking institutions in which the principal office of the Escrow Bank is located are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Agreement; and no interest shall accrue for the period from and after such nominal date.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the Successor Agency to the Dinuba Redevelopment Agency and U.S. Bank Trust Company, National Association have caused this Agreement to be executed each on its behalf as of the day and year first above written.

Background

The Successor Agency to the Dinuba Redevelopment Agency (the "Agency") is authorized under Section 34177.5 of the State Health and Safety Code to issue tax allocation refunding bonds for economic savings within the parameters set forth in Section 34177.5(a)(1) of the State Health and Safety Code (the "Savings Parameters"). In addition, Section 34177.5 of the State Health and Safety Code provides, in relevant part, that the Agency "...shall make use of an independent financial advisor in developing financing proposals and shall make the work products of the financial advisor available to the Department of Finance at its request." (State Health & Safety Code Section 34177.5(h), effective 6/27/12) Urban Futures, Inc., has been retained by the Agency to serve as its independent municipal advisor to determine compliance with the Savings Parameters for purposes of the issuance by the Agency of its 2024 Bonds.

This report in draft form may be used in presentations to the Agency Board and Oversight Board but will be final only after verification of final debt service savings. The 2024 Bonds will be issued for the purpose of refunding and defeasing the Agency's Tax Allocation Refunding Bonds, Issue of 2014 (the "Prior Obligation").

Plan of Refunding

The financing goal is to maximize economic savings by reducing total debt service.

Based on market conditions as of March 14, 2024, Oppenheimer & Co. Inc. (the "Underwriter") has prepared refunding cash flows based on certain assumptions. The refunding of the Prior Obligation from proceeds of the 2024 Bonds and certain funds on hand will achieve a gross debt service savings of \$878,319 and Net PV savings of approximately \$772,117, as shown in Table 3. The savings generated from this refunding are anticipated to result in higher property tax distributions to the affected taxing entities in the future.

Proposed Refunding Complies with State Law

Based on the proposed structure of the 2024 Bonds and the projected debt service savings, Urban Futures, Inc. concludes that the 2024 Bonds comply with the Savings Parameters as described below.

A. Total debt service (principal and interest) on the refunding bonds is less than total debt service on the refunded bonds (sec. 34177.5(a)(1)(A)): Section 34177.5(a)(1)(A) requires that the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded. Table 2 shows projected total debt service savings from the refunding of the Prior Obligation of \$878,319, calculated as (i) total debt service on the Prior Obligation, minus (ii) total debt service on the 2024 Bonds. Net PV savings is projected to be \$772,117.

B. Refunding bonds principal shall be used only for refunding purposes, not for new-money (sec. 34177.5(a)(1)(B)): Section 34177.5(a)(1)(B) requires that the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves, and to pay related costs of issuance. Table 1 is the projected sources and uses of funds for the 2024 Bonds, showing that all proceeds are used only for purposes associated with refunding the Prior Obligations and to pay related costs of issuance. No proceeds of the 2024 Bonds will be used for any other purposes, including new-money purposes.

C. Agency shall make diligent efforts to ensure lowest long-term cost financing is obtained, to structure refunding that does not provide for any bullets or spikes or variable rates, and shall hire an independent financial advisor (sec. 34177.5(h)): Section 34177.5(h) requires the Agency to make diligent efforts to ensure that the lowest long-term cost financing is obtained and that the financing not provide for any bullets or spikes or use variable rates. The Agency has retained Urban Futures, Inc., an independent financial advisor registered with the SEC and MSRB, to monitor the pricing of the 2024 Bonds.

In accordance with Section 34177.5(h), the proposed refunding structure does not provide for any bullet principal maturities, debt service spikes or variable rate debt.
