To: Mayor and City Council
From: Chad Thompson, Fire Chief
Subject: Cooperative Fire Protection Agreement with the Tulare County Fire Department.(CT)

RECOMMENDATION

Council approve renewal of Cooperative Fire Protection Agreement with Tulare County Fire Department and authorize City Manager or designee to execute the agreement.

EXECUTIVE SUMMARY

The City of Dinuba has a Cooperative Fire Protection Agreement with Tulare County for fire support services in case of a fire or emergency incident. The Agreement expired on December 31, 2016. The Dinuba Fire Department is requesting that this agreement be extended with minor modifications.

OUTSTANDING ISSUES

None.

DISCUSSION

The City of Dinuba Fire Department has had a Cooperative Fire Protection Agreement (Agreement) with Tulare County Fire Department to provide mutual assistance for fire or emergency incidents as needed. The Agreement expired on December 31, 2016.

The Cooperative Fire Protection Agreement enclosed as Attachment 'A' outlines common expectations, operating protocols, shared responsibilities, mutual and automatic aid parameters governing the manner in which assistance will be provided in the event of fires involving the City of Dinuba Fire Department and/or the Tulare County Fire Department.

This Agreement contains two minor changes. One is the agreement can be terminated or cancelled by either party providing a 180-day written notice. The previous agreement had an automatic one-year termination date. This change gives each agency sufficient time to transition out of the agreement.

The second area addressed is the requirement that each party be responsible for scheduling quarterly training drills in order for fire personnel from each respective agency to familiarize themselves with each other's equipment and operations. This will ensure better communication and safety of personnel during a fire or emergency incident.

The territories covered by this agreement are the City limits of Dinuba and the territory of the County of Tulare as defined in Exhibit 'B', specifically the area bounded by Avenue 432 to the north, Road 56 to the west, Road 116 to the east, and Avenue 384 to the south.

The Agreement is consistent with the recommendation contained in the 2014 Fire Department Master Plan for establishing "an automatic first alarm response plan with mutual aid partners for any reported working fire to obtain ISO credit for Automatic Aid". The Agreement will provide resources to assist the City in maintaining its Insurance Services Office (ISO) Classification rating of 2.

In summary, the Agreement will augment the City of Dinuba's fire suppression resources thereby reducing risks and increasing safety. The agreement is effective January 1, 2017 and will be in effect until canceled or terminate by either party by giving a 180-day written notice.

FISCAL IMPACT

There will be no direct financial impact to either agency to enter in to a mutual aid agreement with the Tulare County Fire Department.

COOPERATIVE FIRE PROTECTION AGREEMENT

Between

COUNTY OF TULARE

And

CITY OF DINUBA

This is a COOPERATIVE FIRE PROTECTION AGREEMENT between TULARE COUNTY, hereinafter referred to as COUNTY, and the CITY OF DINUBA, hereinafter referred to as CITY, and is entered into this 1st day of January, 2017.

WHEREAS, pursuant to Government Code section 6500 et seq., and Health and Safety Code section 13050, the COUNTY and CITY desire to render aid to each other in combating fires when such aid is necessary; and

WHEREAS, pursuant to Government Code sections 6502 and 55632, and Health and Safety Code section 13050 et seq., the parties have the common power to provide fire protection services and desire to jointly exercise said power through an agreement which would allow assistance; and

WHEREAS, the purpose of this Agreement is to provide for the rendering of assistance whenever fires or emergency incidents may occur within certain areas of the jurisdictions of the parties which, due to the location, or size of the fires, or other emergency incidents, such fires or emergency incidents cannot be adequately responded to and handled by the fire department of the party having jurisdiction without additional assistance; and

NOW THEREFORE, the parties hereto mutually agree as follows:

1. **DEFINITIONS:** Unless the particular provisions or context otherwise requires, the definitions contained in this section shall govern the construction, meaning, and application of words used in this Agreement.

2. **GOVERNING LAW:** This Agreement shall be interpreted and governed under the laws of the State of California without reference to California conflicts of law principles. The parties agree that this contract is made in and shall be performed in Tulare County, California.
3. **DISPUTE RESOLUTION:** If a dispute arises out of or relating to this Agreement, or the breach thereof, and if said dispute cannot be settled through negotiation, the parties agree first to try in good faith to settle the dispute by non-binding mediation before resorting to litigation or some other dispute resolution procedure, unless the parties mutually agree otherwise. The mediator shall be mutually selected by the parties, but in case of disagreement, the mediator shall be selected by lot from among two nominations provided by each party. All costs and fees required by the mediator shall be split equally by the parties; otherwise each party shall bear its own costs of mediation. In all other cases the remainder of the Agreement shall continue in full force and effect.
7. **ASSURANCES OF NON-DISCRIMINATION:** CITY/COUNTY shall not discriminate in employment or in the provision of services on the basis of any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation.
8. **FURNISHING OF FIRE PROTECTION SERVICES:** The responding party shall furnish fire protection services within the jurisdiction of the party requesting such service pursuant to the following provisions:
 - (a) The CITY and COUNTY agree to furnish fire protection personnel, equipment, materials, supplies, and to render such fire protection services to each other as may be necessary to suppress fire of a size and or complexity beyond the control of either party hereto acting without the assistance of the other, and the control of which therefore requires the assistance from the other within the defined service area displayed as per Exhibit A.
 - (b) The territories covered by this agreement are the City limits of Dinuba and the territory of the County of Tulare as defined in Exhibit B.
 - (c) The party which has primary jurisdiction for fire protection in the area involved will direct all operations and support activities and request additional assistance as is needed; however, it is provided that the first arriving unit from either Agency Having Jurisdiction (AHJ) will take initial action to protect life and property.
 - (d) When either party hereto responds to incidents outside its jurisdiction, the agency with primary responsibility will provide an officer of its Department who will

supervise and direct activities and assume responsibility for releasing any fire company from the scene.

6.4. SUBJECT

Resolution No. 2017-05 Approving Water Service Connection for 910 N. Crawford Avenue (BB)

RECOMMENDATION

Council adopt Resolution No. 2017-05 approving agreement with Mr. and Mrs. Armando and Maria Isabel Flores to connect residence at 910 N. Crawford Avenue to City water services and authorize the City Manager or designee to execute the agreement.

Director Beltran presented a request from Armando and Maria Flores to connect their residence to the City's water system. The Flores' residential well has failed

and as a result would like to connect to the city's water system to ensure a reliable supply of water. The Flores residence is just outside the city limits but within the sphere of influence. Beltran informed the Council that a backflow preventer would be placed on the existing residential well to protect the city's water system from being contaminated.

The Council agreed that in order to protect the water system, the existing well should be abandoned as a condition of the approval to connect to the city's water system.

A motion was made by Council Member Launer, second by Vice Mayor Thusu, to adopt Resolution 2017-05 with the condition that the existing well be properly abandoned.

Ayes: Launer, Morales, Reynosa, Thusu

City Council Staff Report

Department: PARKS AND COMMUNITY SERVICES

February 28, 2017

To: Mayor and City Council

From: Stephanie Hurtado, Interim Director of Parks & Community Services

Subject: Ordinance No. 2017-02 Repealing Ordinance No. 2012-04 Establishing the Pro Youth Dinuba Commission (SH)

RECOMMENDATION

Council conduct a public hearing, waive further reading and adopt Ordinance No. 2017-02 repealing Ordinance No. 2012-04 establishing Pro Youth Dinuba Commission.

EXECUTIVE SUMMARY

On February 14, 2017 the City Council conducting the first reading and introduction of Ordinance No. 2017-02 repealing Ordinance No. 2012-04 establishing the Pro Youth Dinuba Commission. This newly formed Commission merged with the existing non-profit 501(c)(3) Pro Youth organization and the appointed Commissioners served both entities. However, state law requires non-profit corporations to act separately and independently. Thus staff is recommending that the City Council abolish the Pro Youth Dinuba Commission since the non-profit organization will serve the same purpose. The current members of the Commission will remain as board of directors for the non-profit Pro Youth Dinuba organization.

OUTSTANDING ISSUES

None.

DISCUSSION

In 2012, Ordinance No. 2012-04 was amended to merge the Community Services Commission with the Pro-Youth Dinuba non-profit organization. At the time, the Pro-Youth Dinuba organization was formed as a non-profit 501(c)(3) under California law.

When this ordinance was enacted there was a misunderstanding that the City-appointed Pro-Youth Commission would serve as advisory body to the city council, parks and community services as well as board members for the Dinuba Pro-Youth non-profit 501 (c)(3) corporation. However, a California non-profit corporation is governed by the California Corporations Code. The statute requires that corporations be governed by an independent board of directors and maintain its own corporate records and accounting.

The State Attorney General, not the City of Dinuba, has jurisdiction to oversee California non-profit corporations. However, when the City-appointed Pro-Youth Commission was formed it inadvertently incorporated oversight of the non-profit Pro-Youth corporation. The Pro-Youth Commission discussed this matter and decided to retain the non-profit status and remain as board of directors for the corporation.

Staff is recommending that the City Council repeal Ordinance No. 2012-04 establishing the Pro-Youth Commission. In addition, the Pro-Youth Dinuba non-profit will continue to have exclusive access to use the Walmart parking lot for the annual 4th of July fireworks booth as stipulated in the Fireworks Ordinance. Repealing Ordinance 2012-04 will in no way compromise Pro-Youth Dinuba 501(c)(3) fireworks booth location.

Ordinance No. 2017-02 repealing Ordinance No. 2012-04 is enclosed herein as Attachment 'A'. If approved tonight, the Ordinance will take effect 30 days from adoption.

FISCAL IMPACT

None.

PUBLIC HEARING

A public hearing to gather comments from the community regarding adopting Ordinance No. 2017-02 repealing Ordinance No. 2012-04 establishing Pro Youth Commission.

Subject: Agreement with Pyro-Spectaculars for July Independence Celebration (SH)

RECOMMENDATION

Council approve the contract with Pyro-Spectaculars in the amount of \$20,000 for the Dinuba Independence Day Celebration on July 3, 2017.

EXECUTIVE SUMMARY

The City of Dinuba sponsors the annual July 4th Independence Day Celebration at Centennial Park. The event is well attended and positively received by the community. The City is proposing to contract with Pyro-Spectaculars to provide the aerial fireworks display which will take place on July 3, 2017.

OUTSTANDING ISSUES

None.

DISCUSSION

The City of Dinuba is once again sponsoring the annual July 4th Independence Day Celebration. The Community Services Department sent out an informal request for proposal for aerial fireworks display. Pyro-Spectaculars has been the supplier for the last four years. Pyro-Spectaculars submitted a proposal of \$20,000 which includes Insurance, Operator, Permits filings and Transportation cost. The company has delivered a successful show for the past four years. A signed copy of the contract is enclosed herein as Attachment 'A'.

The venue will once again take place at Centennial Park. This site has worked well for the event due to ample space for live music, vendors and seating for attendees. In addition, the fireworks are launched from a safe distance (1,500-2,000 ft.) on a vacant city-owned property on the south side of Sierra Way and there are no structures in the immediate vicinity that could be threatened by the fireworks.

This years event will be held on July 3rd. The event will begin at 6:30 p.m. with live entertainment, fun family activities, food booths and local vendors. The fireworks show will start at 9:15 p.m. Pyro-Spectaculars will launch 603 fireworks over 25-30 minutes with the grand finale containing over 200 shots.

Past events have been well attended and positively received by the public. Staff will work diligently to ensure that this years show will be another success.

FISCAL IMPACT

The contract with Pyro-Spectaculars is in the amount of \$20,000. The City budgeted \$30,000 for the Independence Day Celebration. The additional \$10,000 will cover event programming cost including, stage sound and lighting, live entertainment, advertising, rental of portable lighting and restrooms, and staffing.

Any reproduction by sound, video or other duplication or recording process without the express written permission of PYRO is prohibited.

5. **Safety** - PYRO and CLIENT shall each comply with applicable federal, state and local laws and regulations and employ safety programs and measures consistent with recognized applicable industry standards and practices. At all times before and during the Production, it shall be within PYRO's sole discretion to determine whether or not the Production may be safely discharged or continued. 6. **Security** - CLIENT shall provide adequate security personnel, barricades, and Police Department services as may be necessary to preclude individuals other than those authorized by PYRO from entering an area to be designated by PYRO as the area for the set-up and discharge of the Production, including a fallout area satisfactory to PYRO where the pyrotechnics may safely rise and any debris may safely fall. PYRO shall have no responsibility for monitoring or controlling CLIENT's other contractors, providers or volunteers; the public; areas to which the public or contractors have access; or any other public or contractor facilities associated with the Production.

7. **Cleanup** - PYRO shall be responsible for the removal of all equipment provided by PYRO and clean up of any live pyrotechnic debris made necessary by PYRO. Such insurance is to protect CLIENT from claims for bodily injury, including death, personal injury, and from claims of property damage, which may arise from PYRO's performance of this Agreement, only. The types and amounts of coverage shall be as set forth in the Scope of Work. Such insurance shall not include claims which arise from CLIENT's negligence or willful conduct or from failure of CLIENT to perform its obligations under this Agreement, coverage for which shall be provided by CLIENT.

The coverage of these policies shall be subject to reasonable inspection by CLIENT. Certificates of Insurance evidencing the required general liability coverage shall be furnished to CLIENT prior to the rendering of services hereunder and shall include that the following are named as additionally insured: CLIENT; Sponsors, Landowners, Barge Owners, if any; and Permitting Authorities, with respect to the operations of PYRO at the Production. Pyrotechnic subcontractors or providers, if any, not covered under policies of insurance required hereby, shall secure, maintain and provide their own insurance coverage with respect to their respective operations and services.

10. **Indemnification** - PYRO represents and warrants that it is capable of furnishing the necessary experience, personnel, equipment, materials, providers, and expertise to produce the Production in a safe and professional manner. Notwithstanding anything in this Agreement to the contrary, PYRO shall indemnify, hold harmless, and defend CLIENT and the additional insureds from and against any and all claims, actions, damages, liabilities and expenses, including but not limited to, attorney and other professional fees and court costs, in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of PYRO, their officers, agents, contractors, providers, or employees. CLIENT shall indemnify, hold harmless, and defend PYRO from and against any and all claims, actions, damages, liability and expenses, including but not limited to, attorney and other professional fees and court costs in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of CLIENT, its officers, agents, contractors, providers, or employees. In no event shall either party be liable for the consequential damages of the other party.

11. **Limitation of Damages for Ordinary Breach** - Except in the case of bodily injury and property damage as provided in the insurance and indemnification provisions of Paragraphs 9 and 10, above, in the event CLIENT claims that PYRO has breached this Agreement or was otherwise negligent in performing the Production provided for herein, CLIENT shall not be entitled to claim or recover monetary damages from PYRO beyond the amount CLIENT has paid to PYRO under this Agreement, and shall not be entitled to claim or recover any consequential damages from PYRO including, without limitation, damages for loss of income, business or profits.

12. **Force Majeure** - CLIENT agrees to assume the risks of weather, strike, civil unrest, terrorism, military action, governmental action, and any other causes beyond the control of PYRO which may prevent the Production from being safely discharged on the scheduled date, which may cause the cancellation of any event for which CLIENT has purchased the Production, or which may affect or damage such portion of the exhibits as must be placed and exposed a necessary time before the Production. If, for any such reason, PYRO is not reasonably able to safely discharge the Production on the scheduled date, or at the scheduled time, or should any event for which CLIENT has purchased the Production be canceled as a result of such causes, CLIENT may (i) reschedule the Production and pay PYRO such sums as provided in Paragraph 13, or (ii) cancel the Production and pay PYRO such sums as provided in Paragraph 14, based upon when the Production is canceled.

13. **Rescheduling Of Event** - If CLIENT elects to reschedule the Production, PYRO shall be paid the original Fee plus all additional expenses made necessary by rescheduling plus a 15% service fee on such additional expenses. Said expenses will be invoiced separately and payment will be due in full within 5 days of receipt. CLIENT and PYRO shall agree upon the rescheduled date taking into consideration availability of permits, materials, equipment, transportation and labor. The Production shall be rescheduled for a date not more than 90 Days subsequent to the date first set for the Production. The Production shall not be rescheduled to a date, or for an event, that historically has involved a fireworks production. The Production shall not be rescheduled between June 15th and July 15th unless the original date was July 4th of that same year, or between December 15th and January 15th unless the original date was December 31st of the earlier year unless PYRO agrees that such rescheduling will not adversely affect normal business operations during those periods.

14. **Right To Cancel** - CLIENT shall have the option to unilaterally cancel the Production prior to the scheduled date. If CLIENT exercises this option, CLIENT agrees to pay to PYRO, as liquidated damages, the following percentages of the Fee as set forth in Paragraph 3.1. 1) 50% if cancellation occurs 30 to 90 days prior to the scheduled date, 2) 75% if cancellation occurs 15 to 29 days prior to the scheduled date, 3) 100% thereafter. In the event CLIENT cancels the Production, it will be impractical or extremely difficult to fix actual amount of PYRO's damages. The foregoing represents a reasonable estimate of the damages PYRO will suffer if CLIENT cancels the Production.

15. **No Joint Venture** - It is agreed, nothing in this Agreement or in PYRO's performance of the Production shall be construed as forming a partnership or joint venture between CLIENT and PYRO. PYRO shall be and is an independent contractor with CLIENT and not an employee of CLIENT. The Parties hereto shall be severally responsible for their own separate debts and obligations and neither Party shall be held responsible for any agreements or obligations not expressly provided for herein.

16. **Applicable Law** - This Agreement and the rights and obligations of the Parties hereunder shall be construed in accordance with the laws of California. It is further agreed that the Central Judicial District of San Bernardino County, California, shall be proper venue for any such action. In the event that the scope of the Production is reduced by authorities having jurisdiction or by either Party for safety concerns, the full dollar amounts outlined in this Agreement are enforceable.

All other conditions of the Site shall be the responsibility of CLIENT, including, but not limited to, access, use, control, parking and general safety with respect to the public, CLIENT personnel and other contractors.

2. **Time and Place** - The Production shall take place on July 03, 2017, at approximately 9:00 pm, at Open Field: 7251 Ave. 412, Dinuba, CA, Site.

The balance of the Fee shall be paid no later than July 05, 2017. CLIENT authorizes PYRO to receive and verify credit and financial information concerning CLIENT from any agency, person or entity including but not limited to credit reporting agencies. The "PRICE FIRM" date, the date by which the executed Agreement must be delivered to Pyro, is set forth in paragraph 20.

3.2 **Interest** - In the event that the Fee is not paid in a timely manner, CLIENT will be responsible for the payment of 1.5% interest per month or 18% annually on the unpaid balance. If litigation arises out of this Agreement, the prevailing party shall be entitled to reasonable costs incurred in connection with the litigation, including, but not limited to attorneys' fees.

3.3 **Expenses** - PYRO shall pay all normal expenses directly related to the Production including freight, insurance as outlined, pyrotechnic products, pyrotechnic equipment, experienced pyrotechnic personnel to set up and discharge the pyrotechnics and those additional items as outlined as PYRO's responsibility in the Scope of Work. CLIENT shall pay all costs related to the Production not supplied by PYRO including, but not limited to, those items outlined as CLIENT's responsibility in this Agreement and Scope of Work.

4. **Proprietary Rights** - PYRO represents and warrants that it owns all copyrights, including performance rights, to this Production, except that PYRO does not own CLIENT-owned material or third-party-owned material that has been included in the Production, and as to such CLIENT-owned and third-party-owned material, CLIENT assumes full responsibility therefore. CLIENT agrees that PYRO shall retain ownership of, and all copyrights and other rights to, the Production, except that PYRO shall not acquire or retain any ownership or other rights in or to CLIENT-owned material and third-party-owned material and shall not be responsible in any way for such material. If applicable, CLIENT consents to the use of CLIENT-owned material and represents that it has or will obtain any permission from appropriate third parties sufficient to authorize public exhibition of any such material in connection with this Production. PYRO reserves the ownership rights in its trade names that are used in or are a product of the Production. Any reproduction by sound, video or other duplication or recording process without the express written permission of PYRO is prohibited.

5. **Safety** - PYRO and CLIENT shall each comply with applicable federal, state and local laws and regulations and employ safety programs and measures consistent with recognized applicable industry standards and practices. At all times before and during the Production, it shall be within PYRO's sole discretion to determine whether or not the Production may be safely discharged or continued. It shall not constitute a breach of this Agreement by PYRO for fireworks to fail or malfunction, or for PYRO to determine that the Production cannot be discharged or continued as a result of any conditions or circumstances affecting safety beyond the reasonable control of PYRO.

6. **Security** - CLIENT shall provide adequate security personnel, barricades, and Police Department services as may be necessary to preclude individuals other than those authorized by PYRO from entering an area to be designated by PYRO as the area for the set-up and discharge of the Production, including a fallout area satisfactory to PYRO where the pyrotechnics may safely rise and any debris may safely fall. PYRO shall have no responsibility for monitoring or controlling CLIENT's other contractors, providers or volunteers; the public; areas to which the public or contractors have access; or any other public or contractor facilities associated with the Production.

7. **Cleanup** - PYRO shall be responsible for the removal of all equipment provided by PYRO and clean up of any live pyrotechnic debris made necessary by PYRO. CLIENT shall be responsible for any other clean up which may be required of the Production or set-up, discharge and fallout areas including any environmental clean-up.

8. **Permits** - PYRO agrees to apply for permits for the firing of pyrotechnics only from the **DINUBA FIRE DEPARTMENT**, FAA, and USCG, if required. CLIENT shall be responsible for any fees associated with these permits including standby fees. CLIENT shall be responsible for obtaining any other necessary permits, paying associated fees, and making other appropriate arrangements for Police Departments, other Fire Departments, road closures, event/activity or land use permits or any permission or permit required by any Local, Regional, State or Federal Government.

9. **Insurance** - PYRO shall at all times during the performance of services herein ensure that the following insurance is maintained in connection with PYRO's performance of this Agreement: (1) commercial general liability insurance, including products, completed operations, and contractual liability under this Agreement; (2) automobile liability insurance, (3) workers' compensation insurance and employer liability insurance. Such insurance is to protect CLIENT from claims for bodily injury, including death, personal injury, and from claims of property damage, which may arise from PYRO's performance of this Agreement, only. The types and amounts of coverage shall be as set forth in the Scope of Work. Such insurance shall not include claims which arise from CLIENT's negligence or willful conduct or from failure of CLIENT to perform its obligations under this Agreement, coverage for which shall be provided by CLIENT.

The coverage of these policies shall be subject to reasonable inspection by CLIENT. Certificates of Insurance evidencing the required general liability coverage shall be furnished to CLIENT prior to the rendering of services hereunder and shall include that the following are named as additionally insured: CLIENT; Sponsors, Landowners, Barge Owners, if any; and Permitting Authorities, with respect to the operations of PYRO at the Production. Pyrotechnic subcontractors or providers, if any, not covered under policies of insurance required hereby, shall secure, maintain and provide their own insurance coverage with respect to their respective operations and services.

10. **Indemnification** - PYRO represents and warrants that it is capable of furnishing the necessary experience, personnel, equipment, materials, providers, and expertise to produce the Production in a safe and professional manner. Notwithstanding anything in this Agreement to the contrary, PYRO shall indemnify, hold harmless, and defend CLIENT and the additional insureds from and against any and all claims, actions, damages, liabilities and expenses, including but not limited to, attorney and other professional fees and court costs, in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of PYRO, their officers, agents, contractors, providers, or employees. CLIENT shall indemnify, hold harmless, and defend PYRO from and against any and all claims, actions, damages, liability and expenses, including but not limited to, attorney and other professional fees and court costs in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of CLIENT, its officers, agents, contractors, providers, or employees. In no event shall either party be liable for the consequential damages of the other party.

11. **Limitation of Damages for Ordinary Breach** - Except in the case of bodily injury and property damage as provided in the insurance and indemnification provisions of Paragraphs 9 and 10, above, in the event CLIENT claims that PYRO has breached this Agreement or was otherwise negligent in performing the Production provided for herein, CLIENT shall not be entitled to claim or recover monetary damages from PYRO beyond the amount CLIENT has paid to PYRO under this Agreement, and shall not be entitled to claim or recover any consequential damages from PYRO including, without limitation, damages for loss of income, business or profits.

12. **Force Majeure** - CLIENT agrees to assume the risks of weather, strike, civil unrest, terrorism, military action, governmental action, and any other causes beyond the control of PYRO which may prevent the Production from being safely discharged on the scheduled date, which may cause the cancellation of any event for which CLIENT has purchased the Production, or which may affect or damage such portion of the exhibits as must be placed and exposed a necessary time before the Production. If, for any such reason, PYRO is not reasonably able to safely discharge the Production on the scheduled date, or at the scheduled time, or should any event for which CLIENT has purchased the Production be canceled as a result of such causes, CLIENT may (i) reschedule the Production and pay PYRO such sums as provided in Paragraph 13, or (ii) cancel the Production and pay PYRO such sums as provided in Paragraph 14, based upon when the Production is canceled.

13. **Rescheduling Of Event** - If CLIENT elects to reschedule the Production, PYRO shall be paid the original Fee plus all additional expenses made necessary by rescheduling plus a 15% service fee on such additional expenses. Said expenses will be invoiced separately and payment will be due in full within 5 days of receipt. CLIENT and PYRO shall agree upon the rescheduled date taking into consideration availability of permits, materials, equipment, transportation and labor. The Production shall be rescheduled for a date not more than 90 Days subsequent to the date first set for the Production. The Production shall not be rescheduled to a date, or for an event, that historically has involved a fireworks production. The Production shall not be rescheduled between June 15th and July 15th unless the original date was July 4th of that same year, or between December 15th and January 15th unless the original date was December 31st of the earlier year unless PYRO agrees that such rescheduling will not adversely affect normal business operations during those periods.

14. **Right To Cancel** - CLIENT shall have the option to unilaterally cancel the Production prior to the scheduled date. If CLIENT exercises this option, CLIENT agrees to pay to PYRO, as liquidated damages, the following percentages of the Fee as set forth in Paragraph 3.1. 1) 50% if cancellation occurs 30 to 90 days prior to the scheduled date, 2) 75% if cancellation occurs 15 to 29 days prior to the scheduled date, 3) 100% thereafter. In the event CLIENT cancels the Production, it will be impractical or extremely difficult to fix actual amount of PYRO's damages. The foregoing represents a reasonable estimate of the damages PYRO will suffer if CLIENT cancels the Production.

15. **No Joint Venture** - It is agreed, nothing in this Agreement or in PYRO's performance of the Production shall be construed as forming a partnership or joint venture between CLIENT and PYRO. PYRO shall be and is an independent contractor with CLIENT and not an employee of CLIENT. The Parties hereto shall be severally responsible for their own separate debts and obligations and neither Party shall be held responsible for any agreements or obligations not expressly provided for herein.

16. **Applicable Law** - This Agreement and the rights and obligations of the Parties hereunder shall be construed in accordance with the laws of California. It is further agreed that the Central Judicial District of San Bernardino County, California, shall be proper venue for any such action. In the event that the scope of the Production is reduced by authorities having jurisdiction or by either Party for safety concerns, the full dollar amounts outlined in this Agreement are enforceable.

Box 2329, Rialto, California, 92377, or for overnight delivery to 3196 N. Locust Avenue, Rialto, California 92377. CLIENT - DINUBA CITY COMMUNITY SERVICES, 1390 E. ELIZABETH WAY, DINUBA, CA 93618.

18. **Modification of Terms** – All terms of the Agreement are in writing and may only be modified by written agreement of both Parties hereto. Both Parties acknowledge they have received a copy of said written Agreement and agree to be bound by said terms of written Agreement only.

19. **Severability** – If there is more than one CLIENT, they shall be jointly and severally responsible to perform CLIENT's obligations under this Agreement. This Agreement shall become effective after it is executed and accepted by CLIENT and after it is executed and accepted by PYRO at PYRO's offices in Rialto, California.
